Motion seconded by Commissioner Fountain and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE
Z-131-62

Adopted Resolution of Intent to Rezone to C-2.

ZONE CHANGE (Z-131-62) - APPLICATION OF LOUIS B. AND GERTRUDE DU BOIS for reclassification of property generally located on the north side of Baltimore, between Fairfield Avenue and Las Vegas Boulevard South, from R-4 to C-2, legally described as follows:

Lots 20 and 21, Block 4, Meadows Addition.

Director of Planning, Mr. Donald J. Saylor: This was one of those properties that we zoned commercial when we adopted the Zoning Map, and has been put back to R-4. At the time they made this application, we were in a turmoil -- we didn't know what we were going to do; so I felt that the safe thing was for them to submit the application. Actually, it is one of the things that will be taken care of on our new map. However, as long as the application has proceeded this far, as far as I am concerned we could just go ahead and approve it.

Commissioner Levy: What was it before?

Mr. Saylor: C-2.

Commissioner Levy moved that a resolution of intent to rezone property generally located on the north side of Baltimore, between Fairfield Avenue and Las Vegas Boulevard South, from R-4 to C-2 be ADOPTED.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE

ZONE CHANGE (Z-139-62) - APPLICATION OF BERNARD W. BROWN for reclassification of property generally located on the west side of South Third Street, between Colorado Street and Imperial Avenue, from R-4 to R-5, legally described as:

Lots 11 and 12, Block 15, Boulder Addition.

Director of Planning, Donald J. Saylor: This general area is zoned R-4, however, parts of it has been zoned to Commercial. It is pretty well agreed by the Planning Commission that in time all of it will go commercial. However, they are trying to do this on an orderly procedure. In this particular case, it amounted to rezoning to R-5 a property located in an area that is pretty well developed, and the Planning Commission felt that it would not be beneficial to the existing development to permit the increased density on this, with the 2 for 1 parking ratio; and consequently, they recommended denial.

Mr. Bernard W. Brown: I felt it would be an asset to the area. I am planning only a two-story building. There are apartments all around there, and after you get away from the apartments, then it is commercial. A motel is being built about a block from me now. I am not even a full block from the Strip; and I felt that apartments

Mr. Bohan appeared to protest this reclassification submitting several petitions of protest with approximately 100 names listed.

Dear Sir:

I would like to protest the proposed application of Louis and Gertrude St. Bois for Reclassification of Lots 20 and 21 Block 4 Meadows Addition from R-4 to C2.

Hundreds of thousands of dollars have been spent on apartments in the area and any Commercial structure would depreciate the surrounding apartments by creating additional noise and also make parking at the rear of the apartments now difficult almost impossible by extremely limiting the maneuverability of parking cars.
