ZONE CHANGE - Z-149-63 - APPLICATION OF FIRST WESTERN SAVINGS AND LOAN ASSOCIATION for reclassification of property generally located south of Oakey Boulevard, between Cahlan Drive and Campbell Drive, from R-1 to R-3. (Complete legal description on file in the office of the City Clerk).

The Director of Planning, Mr. Donald J. Saylor, briefly reviewed the land uses adjoining the property on which rezoning was requested, and stated that a very high class apartment development is proposed; that there were no protests at the Planning Commission hearing, and that the Planning Commission recommended approval.

Commissioner Levy moved that the application of First Western Saving and Loan Association (Z-149-63) for reclassification of property generally located south of Oakey Boulevard, between Cahlan Drive and Campbell Drive, from R-1 to R-3, be APPROVED.

Motion seconded by Commissioner Fountain and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

Approved

ZONE CHANGE - Z-150-63 - APPLICATION OF NEVADA SAVINGS AND LOAN ASSOCIATION for reclassification of property generally located on the north side of Vegas Drive, between Parkchester and Valley Drives, from R-E to R-D, legally described as:

The East Half (E-1/2) of the East Half (E-1/2) of Section 19, Township 20 South, Range 61 East, MDB&M.

The Director of Planning, Mr. Donald J. Saylor: This property is presently zoned R-E. The property to the north is zoned R-1; to the east is zoned R-E and to the west is R-D. R-D requires 11,000 square foot lots, which is halfway between R-1 and R-E. There were no protests, and the Planning Commission recommends approval. If you do approve this, it should be conditioned upon the completion of the annexation.

Commissioner Whipple moved that the application of Nevada Savings and Loan Association (Z-150-63) be APPROVED.

Motion seconded by Commissioner Fountain and carried by the following vote: Commissioners Mirabelli, Fountain, Whipple, and Mayor Gragson voting aye; Commissioner Levy passing his vote due to the fact that he is a Director of the Nevada Savings and Loan Association; noes, none.

Approved

Application of the FIRST WESTERN SAVINGS AND LOAN ASSOCIATION for the reclassification of property legally described as a portion of the south half (S 1/2) of Section 5, T21S, R61E, MDB&M, and more particularly described as follows:

Beginning at the northwest corner of the intersection of Rancho Drive and Sahara Avenue as provided by the approved Major Street Plan of the City of Las Vegas, Nevada; thence westerly along the north right-of-way line of said Sahara Avenue a distance of 2550 feet; thence north a distance of 690 feet to the true point of beginning; thence east 600 feet; thence north 1110 feet; thence northwesterly along the centerline of the proposed El Cortez Avenue to its intersection with the centerline of the proposed Campbell Drive; thence south along the centerline of said proposed Campbell Drive a distance of 1340 feet; thence east a distance of 460 feet to the true point of beginning, and generally located south of Oakey Boulevard between Cahlan Drive and Campbell Drive, from R-1 to R-3.

Mr. Saylor gave the Staff report pointing out the general location. He further described this parcel as being a part of First Western's large 320 acre development where several months ago a large 75 acre parcel fronting on Sahara Avenue was reclassified for a regional shopping center. This particular parcel is adjacent to that shopping center. He also pointed out the single family area in the overall development where two sections are in the construction state, namely Westwood Village No. 1 and No. 2. This proposed R-3 area is for garden type apartments, and if the astute judgement of First Western's Land Development Manager, Mr. Bills, feels that this is appropriate to the overall development of this particular land, Staff has no objections. The Chairman declared the public hearing open.

Mr. Bills appeared in behalf of the applicant.

The Chairman declared the public hearing closed.

During the discussion, the opinion was expressed that this overall development was approved as a package development, whereupon Mr. Saylor explained that the overall development was presented to the Commission, however, it was not approved on that basis. Only the proposed regional shopping center was approved to commercial.

After further discussion, Mr. Matteucci moved that the application of FIRST WESTERN SAVINGS AND LOAN ASSOCIATION for the reclassification of property generally located south of Oakey Boulevard between Cahlan Drive and Campbell Drive, from R-1 to R-3 be approved.

Mr. Longely, Sr. seconded the motion and it was carried by a unanimous vote.

7. Z-150-63

Approved

Application of NEVADA SAVINGS AND LOAN ASSOCIATION for the reclassification of property legally described as the east half (E 1/2) of the east half (E 1/2) of the southwest quarter (SW 1/4) of Section 19, T20S, R61E, MDB&M, and generally located on the north side of Vegas Drive between Parkchester and Valley Drives, from R-E to R-D.

Mr. Saylor gave the Staff report pointing out the general location. He further stated that this area was recently annexed, and is adjacent to an R-D classified area in the County. This zone classification has a minimum size lot area of 1100 square feet, just inbetween the R-1 lot size and the half-acre R-E classification, and does not permit horses. Staff recommended approval subject to the consummation of the annexation.

The Chairman declared the public hearing open.

No one appeared.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of NEVADA SAVINGS AND LOAN ASSOCIATION for the reclassification of property generally located on the north side of Vegas Drive between Parkchester and Valley Drives, from R-E to R-D, be approved.

Mr. Longley, Sr., seconded the motion and it was carried by a unanimous vote.

8. A-20-63

Approved

Petition of LLOYD JONES, ET AL for the annexation of property described as the east half (E 1/2) of the NW 1/4 of the northeast quarter (NE 1/4), and the east half (E 1/2) of the northwest quarter (NW 1/4) of Section 18, T20S, R61E, MDB&M, and generally located on the south side of Aubrey Street east of the Thunderbird Air Field.

Mr. Saylor gave the Staff report pointing out the general location. He further stated that over 50% of the property owners were in favor of this annexation which represented approximately 63% of the area. The Department of Public Works states this area can be sewerred with no Engineering problems. Staff recommended approval.

After discussion, Mr. Uehling moved that the Petition of LLOYD JONES, ET AL for the annexation of property generally located on the south side of Aubrey Street east of the Thunderbird Air Field be approved.

Mr. Matteucci seconded the motion and it was carried by a unanimous vote.

9. A-27-63

Approved

Petition from PROPERTY OWNERS for the annexation of property legally described as the northeast quarter (NE 1/4) of Section 21, T20S, R61E, MDB&M, and known generally as the Vegas Heights area.

Mr. Saylor gave the Staff report pointing out the general location. This area is an unincorporated town, and stated that we did not solicit this annexation, but it was submitted completely on the initiative of the property owners. We have received petition from 59% of the property owners which constitutes more than 60% of the area.

Recognizing that this will create a great number of problems in relation to zoning, planning, utilities, and offsite improvements, and after a great deal of thought, Staff takes this position, that regardless of whether this area is annexed to the City or not, it is a problem area.

Further, Staff contends that eventually the City of Las Vegas would be able to create a desirable area. Referring to the comment from the Fire Department, they too recognize the many problems involved and question whether the benefits in taxation will exceed the benefits and/or problems that will accrue. Staff is of the opinion that perhaps the tax benefits will not exceed the cost for a few years, but in the long run will. Staff recommended approval.

Mr. Ward appeared requesting approval of the annexation. He further reiterated the many problems involved, but stated that with the help of the City of Las Vegas, he felt sure that a desirable area could be created.

Mrs. Howard Wilson appeared requesting approval of the annexation.

Mr. James Carter appeared and submitted more signed Petitions for Annexation.

After further discussion, Mr. Johnston moved that the Petition from PROPERTY OWNERS for the annexation of property generally known as the Vegas Heights area be approved.

Mr. Longley, Sr. seconded the motion and it was carried by a unanimous vote.
