ZONE CHANGE
Z-151-62

Denied

ZONE CHANGE (Z-151-62) - APPLICATION OF WILLIAM PECCOLE for reclassification of property generally located on the east side of Tenth Street, between Bonneville Avenue and Garces Avenue, from R-1 to R-3, legally described as follows:

Lots 7 and 8, Block 23, Wardie Addition.

The Director of Planning, Mr. Donald J. Saylor: This application is to change one building site from R-1 to R-3. The adjoining area is all R-1, and the Planning Commission recommended denial of this request for spot zoning. There were 2 petitions of protest with 24 names.

Commissioner Mirabelli moved that the application of William Peccole (Z-151-62) for reclassification of property generally located on the east side of Tenth Street, between Bonneville Avenue and Garces Avenue, from R-1 to R-3, be DENIED.

Motion seconded by Commissioner Whipple and carried by the following vote: Commissioners Mirabelli, Whipple, and Mayor Gragson voting aye; noes, none.

ZONE CHANGE

Approved

ZONE CHANGE (Z-152-62) - APPLICATION OF CHARLESTON HEIGHTS HOSPITAL, INC. for reclassification of property generally located on Jones Boulevard, between College Avenue and Smoke Ranch Road, and on College Avenue, between Jones Boulevard and Michael Way, from R-1 to R-3, legally described as follows:

The west 210 feet and the south 190 feet, except the easterly 150 feet of the Northwest Quarter (NW-1/4) of Section 24, Township 20 South, Range 60 East, MDB&M.

The Director of Planning, Mr. Donald J. Saylor: This is an application for rezoning to allow apartments in one of the newly annexed areas in the northwest section of the City. This is a 160 acre proposed development and the application is for a row of R-3 apartments along the two street sides, and is pretty much in accord with our policy of permitting this type of development, especially in

advance of the construction of single family homes. There were 3 protests -- one of which was a substantial distance away, and the other 2 were a considerable distance away. The Planning Commission recommended approval.

Mr. Scott Wallace, representing Charleston Heights Hospital, Inc.: We have submitted a Tentative Map which was recommended for approval by the Commission last night. This actually puts in a tier of lots and a street, so that the people in Curtis Park who were complaining would have approximately 300 feet of buffer zone between them and this R-3, plus Michael Way, which is an 80-foot street.

Commissioner Whipple moved that the application of Charleston Heights Hospital, Inc. (Z-152-62) for reclassification of property generally located on Jones Boulevard, between College Avenue and Smoke Ranch Road, and on College Avenue, between Jones Boulevard and Michael Way, from R-1 to R-3, be APPROVED.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Whipple, and Mayor Gragson voting aye; noes, none.

**ZONE CHANGE

ZONE CHANGE (Z-153-62) - APPLICATION OF BOULDERADO WATER COMPANY for reclassification of property generally bounded on the south by West Fremont Street, on the north by West Bonanza Way, and on the west by Western High School, from R-E to R-1, legally described as follows:

That portion of the Southeast Quarter (SE-1/4) of the Southwest Quarter (SW-1/4) of Section 30, Township 20 South, Range 61 East, MDB&M, north of the proposed Fremont Right-of-Way and excepting therefrom the west 100 feet and the east 50 feet.

The Director of Planning, Mr. Donald J. Saylor: This application for reclassification from R-E to R-1 is for purposes of subdivision development. There were no protests, and the Planning Commission recommended approval.

Commissioner Whipple moved that the application of Boulderado Water Company (Z-153-62) for reclassification of property generally bounded on the south by West Fremont Street, on the north by West Bonanza Way, and on the west by Western High School, from R-E to R-1, be APPROVED.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Whipple, and Mayor Gragson voting aye; noes, none.

**ANNEXATION
A-1-63**

ANNEXATION (A-1-63) - PETITION OF LAWRENCE A. LA PENTA ET AL for the annexation of portions of Sections 1 and 12, Township 20 South, Range 60 East, MDB&M and generally located east of the Tonopah Highway and north of Duncan.

The Director of Planning, Mr. Donald J. Saylor, stated that this annexation request had 100% ownership participation, and that the Planning Commission recommended approval. He further stated that this would have to be approved by the Board of County Commissioners, and a Resolution sent to the County to change the township

Application of WILLIAM PECCOLE for the reclassification of property legally described as lots 7 and 8, Block 23, Wardle Addition and generally located on the east side of 10th Street between Bonneville Avenue and Garces Avenue, from R-1 to R-3. Mr. Saylor gave the staff report, stating this application had been before this Board and the City Commissioners about 2 years ago and had been denied at that time. This is strictly a case of spot zoning. Staff recommends denial. The record indicated a petition of protest with 13 property owners listed. The Chairman declared the public hearing open. Mr. R. D. Coleman appeared to protest. There were several other protestants in the audience who were not recognized by name by the Chairman due to the time element. The Chairman declared the public hearing closed. After discussion, Mr. Mirabelli moved that the application of WILLIAM PECCOLE for the reclassification of property generally located on the east side of 10th Street between Bonneville Avenue and Garces Avenue, from R-1 to R-3 be denied. And generally located on Jones Boulevard between College Avenue and Smoke Ranch Road, and on College Avenue between Jones Boulevard and Michael Way, from R-1 to R-3. Mr. Saylor gave the staff report. He stated he felt this was good planning, for if we are to have apartments, they should be completed prior to the building of single family homes. In presenting the plot plan, stated here possibly was a problem of vehicular access, and would require an alley to the rear out to College on the west side of the parcel. The record indicated no protests. The Chairman declared the public hearing open. Mr. Becker appeared in his own behalf. Mr. William Covey appeared to protest this application. He is a resident in the county whose property is more than half a mile away.
