1. That a determined effort to be made to construct another street for ingress/egress into Jones Boulevard, and that Aberdeen Lane be made into a cul-de-sac.

Motion seconded by Commissioner Levy and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

Mayor Gragson: Let's do everything possible to work this out to provide this street. This type of cooperation is real good.

ZONE CHANGE
Z-155-62

Approved, as
amended

ZONE CHANGE (Z-155-62) - APPLICATION OF WESTGATE BUILDERS for reclassification of property generally located on the east side of Decatur Boulevard, between Oakey and Sahara Avenue, and on the north side of Sahara Avenue, between Decatur Boulevard and Arville, from R-1 to R-4, legally described as follows:

Part of the Southwest Quarter (SW-1/4) of Section 6, Township 21 South, Range 61 East, MDB&M.,
Parcel A - the westerly 400.00 feet of the Southwest Quarter (SW-1/4) of Section 6, Township 21 South, Range 61, East, except the southerly 995.00 feet thereof;
Parcel B - the southerly 415.00 feet of the Southwest Quarter (SW-1/4) of Section 6, Township 21 South, Range 61 East, except the westerly 1350.00 feet thereof;
Parcel C - the southerly 995.00 feet of the westerly 1350.00 feet of the Southwest Quarter (SW-1/4) of Section 6, Township 21 South, Range 61 East, except that part zoned Commercial and described as commencing at the southwest corner of said Section 6, thence S 89°3' 42" E 986.03 feet; thence N 0°28'18" E 90.00 feet; thence on a curve to the right whose radius is 4630.00 feet subtending a central angle of 7°12'04", an arc length of 581.90 feet; thence N 89°31'42" W 1029.39 feet; thence S 0°05'04" E 675.03 feet to the true point of beginning.

The Director of Planning, Mr. Donald J. Saylor: This parcel across the street is one we recently annexed. It is presently zoned R-4 and is being developed that way. There were several protests and after discussions, the owner's representative and the protestants agreed that the first 1320 feet from Arville west along Sahara Avenue would remain R-1, and that the R-4 be changed to R-3 along Decatur and around the shopping center or commercial zoning. The applicant did advise the Planning Commission that he might want to discuss the possibilities of R-4 zoning across from the existing R-4.

Mr. Charles Miles, legal counsel for Westgate Builders, asked that the Board give consideration to R-4 zoning in the area directly across from the now existing R-4; and the fact that 1320 feet as a buffer zone might be too much -- that perhaps 300 feet would be adequate. He further stated that Westgate Builders were in agreement and had indicated that the recommendations as they had been made were agreeable; and that these suggested changes were merely for consideration.

Commissioner Levy: It wouldn't be fair to change this, when the protestants are not here.

Mr. Miles: We don't want to do anything to prejudice these parties, if that is the feeling of the Commission.

An unidentified lady, and Mr. R. E. Hill against voiced their protests to these proposed changes and stated that they felt the applicant should stand behind the agreement made and that the buffer zone of 1320 feet should definitely be maintained.

Mr. Miles: We will withdraw the suggested changes.

Commissioner Levy moved that the application of Westgate Builders (Z-155-62) for reclassification of property generally located on the east side of Decatur Boulevard, between Oakey and Sahara Avenue; and on the north side of Sahara Avenue, between Decatur Boulevard and Arville, be APPROVED AS AMENDED, to wit:

1. That the R-4 be changed to R-3 along Decatur and around the perimeter of the shopping center (or commercial zoning).
2. That from Arville west along Sahara Avenue for 1320 feet remain R-1.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Whipple, and Mayor Gragson voting aye; Commissioner Fountain passing his vote; noes, none.

ZONE CHANGE
Z-157-62

Denied

ZONE CHANGE (Z-157-62) - APPLICATION OF ALOHA CONSTRUCTION CO. for reclassification of property generally located on the north side of El Camino Avenue between LasVerdes Street and Valley View, and on the west side of Valley View, between La Pasada Avenue and El Camino Avenue, from R-1 to R-2, legally described as follows:

Lots 31 to 47 inclusive, Block 3, Las Verdes Heights
Subdivision Unit #5.

The Director of Planning, Mr. Donald J. Saylor: This property is located generally to the north of Fantastic Fair. They have requested R-2 zoning on several lots along Valley View and across from the shopping center. The Planning Commission recommends denial.

Mayor Gragson asked whether the applicant was present and wanted to be heard, to which there was no response.

Commissioner Mirabelli moved that the application of Aloha Construction Co. (Z-157-62) for reclassification of property generally located on the north side of El Camino Avenue, between Las Verdes Street and Valley View, and on the west side of Valley View between La Pasada Avenue and El Camino Avenue from R-1 to R-2 be DENIED.

Motion seconded by Commissioner Levy and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

side of College Avenue and west of the Tonopah Highway, as shown on the plat of College Heights No. 1, from R-1 to R-4, be denied, and further recommended approval if amended to read from R-1 to R-3.

Mr. Johnston seconded the motion and the vote was unanimous.

20. Z-155-62

Approved (amended)

Application of WESTGATE BUILDERS for the reclassification of property legally described as part of the southwest quarter (SW 1/4) Section 6, T21S, R61E, MDB&M.

Parcel No. 1 - The westerly 400 feet of the southwest quarter (SW 1/4, Section 6, T21S, R61E, except the southerly 995 feet thereof;

Parcel No. 2 - The southerly 415 feet of the southwest quarter (SW 1/4), Section 6, T21S, R61E, MDB&M, except the westerly 1350 feet thereof;

Parcel No. 3 - The southerly 995 feet of the westerly 1350 feet of the southwest quarter (SW 1/4) of Section 6, T21S, R61E, MDB&M, except that part zoned commercial and described as commencing at the southwest corner of said Section 6, thence S 89° 31' 42" E 986.03 feet; thence N 0° 28' 18" E 90 feet; thence on a curve to the right whose radius is 4630 feet subtending a central angle of 7° 12' 04", an arc length of 581.90 feet; thence N 89° 31' 42" W 1029.39 feet; thence S 0° 05' 04" E 675.03 feet to the true point of beginning. Generally located on the east side of Decatur Blvd. between Oakey and Sahara (San Francisco) and on the north side of Sahara Avenue between Decatur (Montclair) Blvd. and Arville Drive, from R-1 to R-4.

Mr. Saylor gave the Staff report pointing out the general location. In essence, the developer is requesting high density (R-4) along Sahara (San Francisco) Avenue, adjacent to the shopping center, and along Decatur. He stated that he saw no need for this high of density in this area. Staff presented the tentative map which the developer had previously submitted for this area, which was for R-1 zoning, pointing out that the street pattern does not fit the proposed high density zoning in the present application. Staff recommends that if the Commission feels there is any credence to the multi-family reclassifications, that they hold this item in abeyance until an amended tentative map is submitted showing the proposed development plan.

The Chairman declared the public hearing open.

Mr. R. E. Hill appeared to protest this application.

Mrs. Wm. T. Dolan appeared to protest the rezoning.

Mr. Bob McNutt appeared in behalf of the applicant.

Mr. Hawkins appeared to protest the application.

Mr. Brian Lynch appeared to protest.

Mr. Andy Snell appeared to protest.

Mr. Mitchell appeared to protest.

Mrs. Phyllis Hawkins appeared to protest.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of WESTGATE BUILDERS for the reclassification of property generally located on the east side of Decatur Blvd. between Oakey and Sahara and on the north side of Sahara between Decatur (Montclair) Blvd and Arville Drive, from R-1 to R-4 be denied, and further recommended approval if amended as follows:

- (1) That the R-4 be changed to R-3 along Decatur and around the perimeter of the shopping center or Commercial zoning.
- (2) That from Arville west along Sahara Avenue for 1320 feet remain R-1.

Mr. Mirabelli seconded the motion and the vote was unanimous. This was acceptable to Mr. McNutt, representing the applicant, and the protestors present.
