An unidentified lady, and Mr. R. E. Hill against voiced their protests to these proposed changes and stated that they felt the applicant should stand behind the agreement made and that the buffer zone of 1320 feet should definitely be maintained.

Mr. Miles: We will withdraw the suggested changes.

Commissioner Levy moved that the application of Westgate Builders (Z-155-62) for reclassification of property generally located on the east side of Decatur Boulevard, between Oakey and Sahara Avenue; and on the north side of Sahara Avenue, between Decatur Boulevard and Arville, be APPROVED AS AMENDED, to wit:

1. That the R-4 be changed to R-3 along Decatur and around the perimeter of the shopping center (or commercial zoning).
2. That from Arville west along Sahara Avenue for 1320 feet remain R-1.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Whipple, and Mayor Gragson voting aye; Commissioner Fountain passing his vote; noes, none.

ZONE CHANGE
Z-157-62

Denied

ZONE CHANGE (Z-157-62) - APPLICATION OF ALOHA CONSTRUCTION CO. for reclassification of property generally located on the north side of El Camino Avenue between LasVerdes Street and Valley View, and on the west side of Valley View, between La Pasada Avenue and El Camino Avenue, from R-1 to R-2, legally described as follows:

Lots 31 to 47 inclusive, Block 3, Las Verdes Heights ,
Subdivision Unit #5.

The Director of Planning, Mr. Donald J. Saylor: This property is located generally to the north of Fantastic Fair. They have requested R-2 zoning on several lots along Valley View and across from the shopping center. The Planning Commission recommends denial.

Mayor Gragson asked whether the applicant was present and wanted to be heard, to which there was no response.

Commissioner Mirabelli moved that the application of Aloha Construction Co. (Z-157-62) for reclassification of property generally located on the north side of El Camino Avenue, between Las Verdes Street and Valley View, and on the west side of Valley View between La Pasada Avenue and El Camino Avenue from R-1 to R-2 be DENIED.

Motion seconded by Commissioner Levy and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

21. Z-157-62

Denied

Application of ALOHA CONSTRUCTION COMPANY for the reclassification of property legally described as lots 31-47 inclusive, Block 3, Las Verdes Heights Subdivision Unit No. 5, and generally located on the north side of El Camino Avenue between Las Verdes Street and Valley View, and on the west side of Valley View between La Pasada Avenue and El Camino Avenue, from R-1 to R-2.

Mr. Saylor gave the Staff report pointing out the general location. Staff stated there were no compelling reasons to recommend either approval or denial. The record indicates two protests.

The Chairman declared the public hearing open.

Mr. R. E. Hill appeared to protest this application.

Chairman Cahlan asked how many other protestants were in the audience, with a count of 11 present.

Mr. Bills, representing First Western Savings and Loan Assn. appeared. He stated that they do own the property directly adjacent to the north/south portion across the street from this parcel. He agreed completely with Staff that there is no proven need that there has to be apartments so-called buffering a shopping center. None-the-less, because of a precedent that has been set around here, he agreed and stated he would not make too much issue with the east/west strip that actually does buffer the shopping center. However, he would certainly register a protest to the strip which is the north edge of the "L" along Valley View. He recognized that it is only R-2 and did not intend to test the Commission's credence by stating this would ruin the density or anything of that kind, but stated it would introduce into an area of single family homes the beginning of renters, or people who do not own their property. Further, he stated that their plans were in tentative formation, however, felt that directly across the street they could place some very fine homes, comparable to those in the Las Verdes Heights area. Consequently, Mr. Bills stated he would not like to see any of this R-2, but would not raise any serious objection to the R-2 zoning along El Camino, but would request that it be denied stretching up Valley View.

Mr. Bob Thomas appeared representing the applicant.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of ALOHA CONSTRUCTION COMPANY for the reclassification of property generally located on the north side of El Camino Avenue between Las Verdes Street and Valley View, and on the west side of Valley View between La Pasada Ave. and El Camino Avenue, from R-1 to R-2, be denied.

Mr. Uehling seconded the motion and upon roll call the vote was as follows:

<u>AYES</u>	<u>NAYS</u>	<u>ABSTAIN</u>
Longley, Sr.	Empey	
Uehling	Mirabelli	
Johnston		
Cahlan		

The motion carried.

RECESS:

Chairman Cahlan declared a five minute recess.

22. Z-158-62

Approved

Application of E. F. LIED for the reclassification of property legally described as the north 200 feet of Government Lot No. 1, Section 6, T21S, R61R, MDB&M, except the westerly 1035 feet thereof, and generally located on the south side of West Charleston Blvd. between Valley View Blvd. and Hinson Street, from R-E to R-4.

Mr. Saylor gave the Staff report pointing out the general location. He stated the reason for the R-4 request is for the proposed purpose to permit a professional office building. Staff recommended approval on the basis of a resolution of intent for a professional office building only.

The Chairman declared the public hearing open.

Mr. J. J. Caldwell appeared, objecting to multiple-family
