ZONE CHANGE
Z-158-62

Adopted Resolution of Intent to Rezone, subject to conditions listed.

ZONE CHANGE (Z-158-62) - APPLICATION OF E. F. LIED for reclassification of property generally located on the south side of West Charleston Boulevard, between Valley View Boulevard and Hinson Street, from R-E to R-4, legally described as follows:

The north 200 feet of Government Lot No. 1, Section 6, Township 21 South, Range 61 East, MDB&M, except the westerly 1035 feet thereof.

The Director of Planning, Mr. Donald J. Saylor: There is commercial development on both sides of this property. This is a vacant parcel about 150 feet by 300 feet. The application was advertised for R-4 and there were many protests. However, it was recommended that this be approved by means of a Resolution of Intent for professional offices only. The protestants agreed that this was a satisfactory solution, and I believe the applicant was in accord.

Fire Chief, C. D. Williams: At one time, I talked to Mr. Lied regarding the development of this property, and at that time, he indicated that he would be willing to install proper fire protection facilities to take care of this situation, and I would like to add that provision or restriction to this approval.

Mr. Bob McNutt, Engineer for Moote, Kempa & Galloway, on behalf of the applicant, stated that they would be willing to work with Chief Williams in finding a solution to the fire protection problem, and would be agreeable to having this provision included in the Resolution of Intent.

Mrs. J. J. Calvin, a neighboring property owner, stated that she had several unanswered questions regarding this proposed development; and Mr. McNutt advised that a meeting had already been scheduled for Thursday evening, February 28, to discuss the matter and give the protestants an opportunity to review the plans.

Commissioner Fountain moved that a Resolution of Intent to Rezone property generally located on the south side of West Charleston Boulevard, between Valley View Boulevard and Hinson Street, from R-E to R-4, be ADOPTED, subject to the conditions listed below, and with the further stipulation that this approval not be construed as an expression that this Board would look favorably on the rezoning of the property immediately to the east, which is now a single family dwelling:

1. That this be for professional office building only.
2. Subject to installation of proper fire protection facilities to be approved by the Fire Department.

Motion seconded by Commissioner Mirabelli and carried by the following vote: Commissioners Mirabelli, Levy, Fountain, Whipple, and Mayor Gragson voting aye; noes, none.

RESOLUTION OF INTENT TO RECLASSIFY REAL PROPERTY

WHEREAS, Ordinance No. 1014 provides for an intention of rezoning in the public interest; and

WHEREAS, the Board of City Commissioners deems it appropriate and in the interest of the public health, safety, welfare and convenience that an intention to rezone be indicated so long as conditions and stipulations are complied with; and

WHEREAS, this intention to reclassify real property shall become final, and rezoning shall be consummated, upon the particular property when the owner has completed the specified building program in compliance with the conditions thereof.

NOW, THEREFORE, BE IT RESOLVED, that at a regular meeting of the Board of City Commissioners held on the 27th day of February, 1963, the following parcel of real property shall be rezoned as follows at the time of completion of the said purpose of the rezoning and the conditions attached thereto:

FROM R-E to R-4 (Z-158-62)

The North 200 feet of Government Lot No. 1, Section 6, Township 21 South, Range 61 East, M.D.B. & M., except the Westerly 1035 feet thereof, generally located on the South side of West Charleston Boulevard between Valley View Boulevard and Hinson Street.

Subject to the following conditions:

That said property is to be used for a professional office building only, and proper fire protection facilities be installed and approved by Fire Department.

PASSED, ADOPTED AND APPROVED, this 27th day of February 1963.

ORAN K. GRAGSON, Mayor

ATTEST:

SIGRID DODGSON, Acting City Clerk

21. Z-157-62

Denied

Application of ALOHA CONSTRUCTION COMPANY for the reclassification of property legally described as lots 31-47 inclusive, Block 3, Las Verdes Heights Subdivision Unit No. 5, and generally located on the north side of El Camino Avenue between Las Verdes Street and Valley View, and on the west side of Valley View between La Pasada Avenue and El Camino Avenue, from R-1 to R-2.

Mr. Saylor gave the Staff report pointing out the general location. Staff stated there were no compelling reasons to recommend either approval or denial. The record indicates two protests.

The Chairman declared the public hearing open.

Mr. R. E. Hill appeared to protest this application.

Chairman Cahlan asked how many other protestants were in the audience, with a count of 11 present.

Mr. Bills, representing First Western Savings and Loan Assn. appeared. He stated that they do own the property directly adjacent to the north/south portion across the street from this parcel. He agreed completely with Staff that there is no proven need that there has to be apartments so-called buffering a shopping center. None-the-less, because of a precedent that has been set around here, he agreed and stated he would not make too much issue with the east/west strip that actually does buffer the shopping center. However, he would certainly register a protest to the strip which is the north edge of the "L" along Valley View. He recognized that it is only R-2 and did not intend to test the Commission's credence by stating this would ruin the density or anything of that kind, but stated it would introduce into an area of single family homes the beginning of renters, or people who do not own their property. Further, he stated that their plans were in tentative formation, however, felt that directly across the street they could place some very fine homes, comparable to those in the Las Verdes Heights area. Consequently, Mr. Bills stated he would not like to see any of this R-2, but would not raise any serious objection to the R-2 zoning along El Camino, but would request that it be denied stretching up Valley View.

Mr. Bob Thomas appeared representing the applicant.

The Chairman declared the public hearing closed.

After discussion, Mr. Johnston moved that the application of ALOHA CONSTRUCTION COMPANY for the reclassification of property generally located on the north side of El Camino Avenue between Las Verdes Street and Valley View, and on the west side of Valley View between La Pasada Ave. and El Camino Avenue, from R-1 to R-2, be denied.

Mr. Uehling seconded the motion and upon roll call the vote was as follows:

<u>AYES</u>	<u>NAYS</u>	<u>ABSTAIN</u>
Longley, Sr.	Empey	
Uehling	Mirabelli	
Johnston		
Cahlan		

The motion carried.

RECESS:

Chairman Cahlan declared a five minute recess.

Application of E. F. LIED for the reclassification of property legally described as the north 200 feet of Government Lot No. 1, Section 6, T21S, R61R, MDB&M, except the westerly 1035 feet thereof, and generally located on the south side of West Charleston Blvd. between Valley View Blvd. and Hinson Street, from R-E to R-4.

Mr. Saylor gave the Staff report pointing out the general location. He stated the reason for the R-4 request is for the proposed purpose to permit a professional office building. Staff recommended approval on the basis of a resolution of intent for a professional office building only.

The Chairman declared the public hearing open.

Mr. J. J. Caldwin appeared, objecting to multiple-family

dwellings, however approved professional office buildings. Mr. D. Hahn appeared asking the definition of R-4 classification.

Mr. Bob McNutt appeared in behalf of the applicant. Chairman Cahlan requested to count the number of protestants in the audience. The count was 12.

All protestants stated they withdrew their protest and approved of a professional office building only.

The Chairman declared the public hearing closed.

After discussion, Mr. Empey moved that the application of E. F. LIED for the reclassification of property generally located on the south side of West Charleston Blvd. between Valley View Blvd and Hinson Street, from R-E to R-4 be approved by means of a resolution of Intent for professional office building only.

Mr. Uehling seconded the motion and the vote was unanimous.

The Chairman declared the public hearing closed.
