Application of B. Mr. Saylor gave the staff report pointing out the location of this parcel. He stated that the proposed plans are to construct a hotel, and with the requested C-2 zoning would not require any off-street parking facilities. As Mr. Saylor has stated before, the survey conducted recently proved that this hotel is needed in this area, and there have been numerous requests for C-2 zoning in this area. Further stating, he said serious thought has been given to extending the downtown area to Lewis, as we are limited to the north and to the east. As to the parking problem, staff feels that the entire area will work together to obtain sufficient parking facilities in this area.

The Chairman declared the public hearing open. Mr. Mattucci appeared representing the applicant. He described the proposed plans. He stated there would be a total of 96 units with 22 parking spaces included. There were no protests to the reclassification. The Chairman declared the public hearing closed. After discussion, Mr. Gilday moved that the application of B. MAHLON BROWN for the reclassification of property generally located on the east side of Second Street between Bridger and Lewis, from C-1 to C-2 be approved. 18. DISCUSSION

NEW ZONING MAP

(Area on both sides of
Harrison between A & H)

Hearing

Mr. Saylor stated that this is rather a unique situation. This property has already been rezoned by the adoption of the New Zoning Ordinance and Map. The City Commissioners, feeling that the property owners may not be aware of this zoning change, recommended that an informal hearing be held to ascertain if the majority of the property owners approved of this change, and if not steps would be taken to change this area back to its original zoning of R-2. The present R-3 zoning will permit twice as many units as the former R-2 zoning.

The Chairman declared the hearing open.

Mr. Sam Gould appeared, stating his approval and also stated he would like to see this area zoned R-4.

Mr. Dewey Bullock, 1521 "G" Street, appeared to approve the zone change.

Chairman Cahlan asked if there were any protestants in the audience. There were no protestants.

The Chairman declared the hearing closed.

Mr. Gilday moved that the area on both sides of Harrison between "A" and "H" Streets as changed by the adoption of the New Zoning Ordinance and Map be referred to the Board of City Commissioners with the recommendation that it remain as is.

Mr. Uehling seconded the motion and the vote was unanimous.
