We do need to ensure the new plan is scanned also. If you need help doing that Darline can assist you. Thanks.

**Please note that starting Monday, January 24th the Planning & Development Department will have moved to our new location at 333 N. Rancho Drive (at Bonanza Rd.). We appreciate your patience as we relocate our offices.**

Tim

It was a pleasure to speak with you today. I look forward to working with you and Plant World in the future.
