DISTRICTS, AND TO PROVIDE FOR OTHER RELATED MATTERS.

5 Sponsored by: Mayor Oscar B. Goodman

Summary: Updates sign standards and related
approval processes for the Downtown Casino
and Downtown Entertainment Overlay Districts.

7 THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY ORDAIN
8 AS FOLLOWS:

9 SECTION 1: Title 19, Chapter 6, Section 100, Subsection (C), of the Municipal Code
10 of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

11 (C) Special Sign Standards.

12 (1) Signs on parcels within the Sub-district are exempt from the sign regulations contained
13 in the Zoning Code (Chapter 19.14) to the extent that those regulations are inconsistent with the
14 provisions of this Section 19.06.100. Provisions of Chapter 19.14 that are not inconsistent with the
15 provisions of this Section shall continue to apply to signs within the District. Such provisions of
16 Chapter 19.14 may be applied by the Director or be made applicable as part of the review and approval
17 process set forth in this Section.

18 (2) Any sign existing in the District as of January 2, 2002, that conforms to the provisions
19 of Chapter 19.14 or has been allowed to continue under nonconforming status may continue under the
20 provisions of this Section as long as a current permit is maintained, the sign is structurally sound and
21 in good working order, and the sign does not create a public nuisance or otherwise violate any
22 ordinance, regulation or statute. Except as otherwise provided by ordinance, any such sign shall not
23 be subject to removal or modification by reason of any amendment to Chapter 19.14.

24 (3) The sign standards contained in this Section shall:

25 (a) Be interpreted and applied with reference to the background provisions set forth
26 in Subsection (B) above;

27 (b) Apply to all property, development, expansion and renovation within the Sub-
28 district except property located within the boundaries of the Pedestrian Mall, as described in LVMC

Chapter 11.68; and

(c) Apply to any building façade within one hundred twenty-five feet of the centerline of the streets that border the Sub-district (referred to hereafter as the "buffer area"). (See Illustration A)

(4) The development, construction, expansion, or renovation of freestanding signs within the Sub-district is prohibited, except signs that:

(a) Belong to or are within the Neon Museum collection; [or]

(b) Have been declared by the Las Vegas Historic Preservation Commission to be "historic" or ["contributing."] "contributing"; or

(c) Are components of a wayfinding system or identity program for the Sub-district.

(5) Each wall-mounted sign within the Sub-district shall be a minimum of ten feet vertically above the height of the finished sidewalk along public rights-of-way and public pedestrian pathways. (See Illustration B) On-premise signs that do not exceed sixty-five square feet in size are exempt from this requirement, provided that there is a separation between such signs of at least fifty linear feet along the right-of-way or pathway.

(6) Of all signage to be placed along Fourth Street, or along any street that is adjacent and perpendicular to Fourth Street and is within one hundred twenty-five feet of the centerline of Fourth Street, at least seventy-five percent of the total sign surface areas must consist of neon signs or animated signs, or a combination thereof. (See Illustration C) Of all signage that is not within the areas described in the preceding sentence, the minimum percentage of neon or animated signage, or combination thereof, is fifty percent.

(7) Individual sign surface areas shall not exceed a total of one thousand five hundred square feet.

(8) For any one wall, the maximum wall coverage for the composite total of all sign surface areas shall not exceed fifty percent of the eligible wall signage area, as depicted in Illustration D. This limitation does not apply to roof signs located above the roofline of the building façade nor to transparent "building wrap" signage.

(9) The minimum separation distance between off-premise signs shall be five feet.

1 (10) The total sign surface area of each wall mounted, roof mounted, or parapet mounted
2 sign shall not exceed one thousand five hundred square feet, and no such sign shall extend vertically
3 more than twenty feet above the height of the parapet.

4 (11) Animated signs must be fully operational and continuously animated twenty-four hours
5 a day. Changes to the image or other animation feature must occur no less frequently than every thirty
6 seconds, except when required maintenance or change of message dictates otherwise.

7 (12) Each off-premise sign with at least two rotating or changing messages, images or
8 contents, must change at least once every thirty seconds, and the sign must be framed by a decorative
9 faceplate or frame that is at least eighteen inches in width and that includes at least one band of
10 illuminated neon tubing completely surrounding the sign.

11 (13) At least seventy-five percent of off-premise signs are encouraged to be used to
12 advertise places, products, goods, services, ideas or statements whose subject is available or located
13 within the District.

14 (14) It is recommended that all signs be fully illuminated from at least one hour before dusk
15 until one hour after dawn. Signs may be fully illuminated during daylight hours also.

16 (15) Signs may not encroach into any public right-of-way, or any intersection more than
17 eight feet perpendicular to the building wall to which the sign is attached. (See Illustration E)
18 Marquee signage along Fourth Street is exempt from this limitation. The City does not encourage
19 encroachment of signage into public rights-of-way, and the applicant or sign owner must obtain all
20 necessary encroachment approvals before the installation of any sign.

21 (16) The owner and operator of each sign is responsible for ensuring that appropriate sign
22 maintenance occurs and that repairs of damaged signs are accomplished promptly.

23 SECTION 2: Title 19, Chapter 6, Section 100, Subsection (D), of the Municipal Code
