Re: **VAR-16470** Asian Development, LLC W. Side Sky Pointe Dr., S. of Kyle Canyon Rd.
Request for a Variance for side yard setback

COMMENTS:

We have no comment on the Request for a Variance application to allow a side yard setback of five feet where 10 feet is the minimum setback required for a proposed office building located on the west side of Sky Pointe Drive, south of Kyle Canyon Road.

We note that this site is the subject of a Zoning Reclassification ZON-16469 and Site Development Plan Review SDR-16472; all site-related conditions of approval are addressed with those actions.

RE: Justification Letter for
Variance of reduced setbacks for APN #125-06-002-008

To whom it may concern,

Please be advised that our office represents the applicant on the above referenced matter. This application is for a variance to reduce setbacks on the site in conjunction with a proposed 7,500 square foot office building. The site is approximately 0.46 acres in size located southeast of the intersection of U.S.-95 and Kyle Canyon Road.

Companion applications for a General Plan Amendment to Service Commercial (SC) and rezoning to C-1 are part of this request.

This request is to reduce the required setback to 5 feet where 10 feet is required. The justifications for the request are: 1) that the office building is situated to provide a three point turn around for a fire truck as required by City of Las Vegas Fire department; 2) the unique and restrictive shape of the parcel does not provide many alternatives without asking for other variances; 3) the access drive cannot be relocated as the BLM sold the property with the access easement in place and the buyers knowledge and understanding, as a result the location of any building is limited.

If you have any questions please feel free to contact me at 222-4747

Sincerely,

Victor Rodriguez
