Request for an Extension of Time of an approved Special Use Permit

COMMENTS:

We have no objection to the request for an Extension of Time of an approved Special Use Permit that allowed a private street on the southeast corner of Belcastro Street and Holmby Avenue, as long as all previously imposed conditions of approval for SUP-4511 and all subsequent site-related actions are ultimately complied with.

Due to a slowing of housing sales the developer has gotten behind schedule on his developments. He still plans to develop this parcel as shown. This is the only undeveloped parcel left in this immediate area so all conditions of the original map are still the same.
