Re: Gilmore Cliff Shadows Trail Head

The Planning Department has reviewed the aforementioned plans and has the following comments:

1. The proposed trail head configuration is substantially different than that of the approved design per Site Development Plan Review [SDR-4823]. Please submit to the Department of Planning and Development a revised site plan and landscape plan, as well as a justification letter detailing all of the modifications proposed and their justification. Upon receipt of the supplementary materials the Department of Planning and Development will make a determination as to whether or not the proposed revisions will constitute a Minor or Major Amendment to the approved Site Development Plan Review [SDR-4823], per Title 19.18.050(H). Until such time a comprehensive review of the proposed civil improvement plans cannot be completed and therefore cannot be approved at this time.
2. The cover sheet shall include the title of the project, all required signature lines and the correct Assessors Parcel Number (APN) [137-12-101-008].
3. Please revise all applicable sheets to show wheel stops adjacent to all landscape planters (regardless of planter width) and sidewalks that are less than 7-feet wide. Wheel stops within zero-curb handicap parking spaces must be shown. Include a construction note to reference the wheel stops.
4. Please place a general note within the Utility Plan stating that all above ground utility appurtenances will be placed a minimum of three (3) feet from the back of sidewalk and will be in conformance with Title 19.12.040.
5. Please revise the all applicable sheets to show the location of any proposed trash enclosures.
6. Civil plan redlines must be returned with mylars for planning signature.

NOTE: Please be aware that it is the applicant's responsibility to ensure that all plans submitted for permits; including, civil improvement plans, building permit submittals and final maps, must be identical in terms of site design.

COMMENTS:

We have no objection to the request for an Extension of Time of an approved Site Development Plan Review for a City Park on the west side of Cliff Shadows Parkway, approximately 660 feet south of Alexander Road, as long as all previously imposed conditions of approval for SDR-4823 and all subsequent site-related actions are ultimately complied with.

Re: Extension of Time – SDR-4823

Attached is the Petition form and Statement of Financial Interest form for the Extension of Time application for the park site plan. I need to have you complete the forms for our files as follows:

- Petition Form: Please sign and have notarized.
- Statement of Financial Interest Form: Please check the “no” box, and then sign and notarize.

In addition, I'll need to have you write a brief justification letter with the following information:

- The nature of the delay in securing permits for the project;
- The phasing schedule for the park (just to clarify that we're not going to build everything on the site plan at the same time).

We have the Extension of Time application tentatively scheduled for the City Council meeting on 15 November 2007. I've had a staff member copy the plans that were submitted with the previous application to include with the backup materials that will be forwarded to the City Council members; let me know if there have been any significant changes to the plan.

Please return the attached forms and the justification letter at your earliest convenience. Let me know if there is anything else we can do to assist you with this project.

RE: SDR-4823 - SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF OCTOBER 6, 2004

Dear Mr. Lewis:

The City Council at a regular meeting held October 6, 2004 APPROVED the request for a Site Development Plan Review FOR A PROPOSED CITY PARK on 13.00 acres adjacent to the west side of Cliff Shadows Parkway, approximately 660 feet south of Alexander Road (a portion of APN 137-12-101-008), C-V (Civic) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on October 7, 2004. This approval is subject to:

Planning and Development

1. This Site Development Plan Review shall expire two years from date of final approval unless it is exercised or an Extension of Time is granted by the City Council.
2. All development shall be in conformance with the site plan and building elevations, date stamped August 11, 2004, except as amended by conditions herein.
3. The proposed trail through the site shall be constructed as an equestrian trail.
4. Conformance to all applicable Conditions of approval for Rezoning ZON-2603.
5. Landscaping and a permanent underground sprinkler system shall be installed as required by the Planning Commission or City Council and shall be permanently maintained in a satisfactory manner.

Public Works

6. Construct half-street improvements including appropriate overpaving, if legally able on Cliff Shadows Parkway and Alexander Road adjacent to this

**RE: GILMORE CLIFF SHADOWS PARK & TRAIL HEAD- EXTENSION
OF TIME-SDR-4823**

Dear Planning:

On October 6, 2004 the City Council approved SDR-4823 for site improvements at Gilmore Cliff Shadows Park and Trail Head. Proposed site improvements include new parking lots, small turf areas for passive recreation use, subsurface drainage box culvert, group and individual picnic areas complete with shade shelters, children's play areas, restrooms, walking paths providing views of the City's skyline, enhancing native wash areas and landscaping. Half-street improvements along Cliff Shadows Parkway and Alexander are also included in this project.

Southwick Landscape Architects was the successful consultant selected by the City to perform the design services. They provided full improvement plans for both the park and trail head. Due to cost escalation, it was determined that the City would have to phase this project. The drawing package has now been separated (park and trail head), with a scaled-down version of the trail head currently in for plan review/permitting. Please consider this letter as a request for time extension and phasing of improvements. Included with this request is the latest site plan for file.

As funding becomes available, it is the City's intent to provide complete park and trail head improvements shown in the initial submittal. Thank you for your consideration.
