Re: **VAR-15657** Ian Robins 831 Park Paseo
Request for a rear setback Variance

COMMENTS:

We have no comment on the request for a Variance for property located at 831 Park Paseo to allow a rear yard setback of seven feet where fifteen feet is the minimum setback required for a proposed room addition.

December 28, 2007

Ian and Alice Robins
PO Box 9904
Glendale, CA 91226

Re: 831 Park Paseo, John S. Park Historic District

Dear Ian and Alice,

Thank you for meeting with me and Mike Hazard from the Building & Safety Department this afternoon to discuss the windows you plan to install at the property located at 831 Park Paseo. Per Mr. Hazard, no additional permits are needed to replace the windows at this property; therefore, you will not need additional approval from the Historic Preservation Commission.

The John S. Park Neighborhood Historic District Design Guidelines state that any historic windows visible from the street must be replaced with like windows. I have determined that the windows as shown and discussed in today's meeting are appropriate replacements for the existing historic windows based on the following conditions:

1. Windows visible from the street must be replaced with divided light window, or snap-in muntins.
2. All new windows visible from the street must match as close as possible to existing frame opening(s).
3. All new window frames visible from the street must match as close as possible the thickness of the original windows.

Please feel free to contact me at 702-229-5260, or via email cmooney@lasvegasnevada.gov if you have any additional questions or concerns. Thank you for your cooperation.

Sincerely,

Courtney Mooney, AICP
Historic Preservation Officer

August 24, 2006

Ian and Alice Robins
PO Box 9904
Glendale, CA 91226

Dear Ian and Alice:

Thank you for your presentation at the City of Las Vegas Historic Preservation Commission (HPC) meeting on August 23, 2006 regarding your application to build additions to your property located at 831 Park Paseo located within the John S. Park Historic District.

At this meeting, the HPC approved your request with the following conditions:

1. The applicant may construct the attached garage and rear addition behind the building as shown in the applicant's site plan
2. The applicant may not construct any addition to the front façade
3. The applicant may construct an addition to the west façade of the building provided the south wall of the addition is set back no less than fifteen (15) feet from the southwest corner of the existing front façade
4. The applicant may not remove and replace any windows and doors on the front façade or that may be viewed from the street

Should you wish to replace the windows and/or doors on the front façade, I will be able to approve that building permit administratively. When you are ready, please provide a drawing or photo of the type of window and/or door you would like to use.

If you have any additional questions, you may reach me at 702-229-5260, or by email cmooney@lasvegasnevada.gov.

Sincerely,

Courtney Mooney
City of Las Vegas
Historic Preservation Officer

Located in John S. Park Historic Area - house constructed in 1942

Removal of existing detached garage

Addition to existing house - garage with access on ^{east} side
additions to south and west sides will be phased.

Requires a Variance of rear yard setback 7' where 15' is
required.

Explain why encroachment into setback area is necessary.

Provide N, S, E, W elevations - show height, materials, colors
" floor plans of expansion.

HPC meeting 8/23 to discuss expansion

RE: Justification Letter - Variance
831 Park Paseo – APN #162-03-571-016

This application is for a rear yard setback variance of 7 feet where 15 feet is required.

The variance would enable us to build an attached accessory structure by addressing our concerns for size, safety, neatness, and privacy.

Our rear yard fence divides our property from businesses on Charleston Boulevard.

Because of floor plan layout, house/garage entrance should be located at the North West corner of the house.

That entrance location and a 15 foot setback would make that side of the garage only 6 feet wide.

A 7 foot variance would increase the width to 14 feet and allow for better use of our space.

The structure would shield us from the noise, traffic and other unsavory elements coming from the commercial businesses located on Charleston Boulevard.

A structure of this size will keep our property and landscape neat and free from unsightly items.

It would serve as a garage and space for storage, hobbies and other uses.

Last but not least, in the past year, there was a homicide on the other side of the fence and a few neighborhood homes, including ours, were burglarized.

Crime elements aside, in our house hunting we have seen all the neighborhoods in Las Vegas and are drawn to the John S. Park Historic District.

It has the most appeal and character to us because of the old style homes.

Page 2 of 2
Justification Letter – Variance
APN #162-03-571-016
August 4, 2006

At the time of purchase we knew that the house would be too small for our family of four but the price was within our budget and with some improvements it would fit our needs.

The house is way over due for restoration as it has not been properly maintained and preserved since it was originally built in 1942.

All other setbacks and requirements will remain within the codes.

In addition to the attached accessory structure we are planning to enlarge the house to accommodate our needs and today's standards of living.

Our remodel requires the removal of the existing garage which is built from concrete blocks and has a difference appearance from the wood frame stucco house.

All of our building and remodeling plans will, in our opinion, improve and add value to the neighborhood while maintaining the original style and design.

Thank you for your consideration.

Sincerely,

Ian Robins

Las Vegas, NV 89104

September 21, 2006

City of Las Vegas Planning Commission
400 Stewart Avenue
Las Vegas, NV 89101

Dear Commissioners:

I am writing to you concerning the application for 831 Park Paseo. As president of the John S. Park Neighborhood, I would like to express that many of our neighbors and I are against this proposal.

The applicant bought the property knowing that it was designated historic. This proposal would triple the size of the building, which is far from preserving a building that is listed on the National Register of Historic Places.

Another concern is the size of the proposed garage. This garage would be larger than most homes in the neighborhood. The applicant also owns the property at 827 Park Paseo, which is adjacent to 831 Park Paseo. 827 Park Paseo already has a garage that can hold four vehicles, not to mention at least four in the driveway in front of the garage and numerous spaces in the circular driveway.

The Historic John S. Park Neighborhood Plan says, "Residents of the John S. Park neighborhood have expressed a desire to preserve the unique residential quality of their neighborhood at several community meetings". We do not believe that adding a garage that is larger than many commercial garages in the City, to a historic home, will be beneficial in any way.

As a representative of the John S. Park Neighborhood Association I am asking you to deny this application, so we can keep the historic feel to our unique neighborhood.

Sincerely,

Bob Bellis

Submitted after final agenda

VIA FACSIMILE: 474-0352

Planning and Development Department, Development Services Center
731 S. Fourth St.
Las Vegas, NV 89101

RE: VAR-15657, 831 Park Paseo (APN 162-03-511-016)

To Whom It May Concern:

Please accept this letter as our objection to the above-referenced variance proposal. The subject property is a smaller home that exemplifies the architecture of the John S. Park neighborhood and our concern is that allowing the variance requested will significantly impact the character of this home and have a concomitant negative impact on the character of this historic neighborhood which features relatively large lot and yard sizes.

Moreover, it is our understanding that this home, along with the home to its west, are both owned by the same individual(s) and are not presently occupied. Indeed, these two homes have sat unoccupied since they were purchased.

Nearly every home that has been sold on our block during the past three years has been purchased by investors and there are at least 6 homes on the block of 8th Place and 9th Street that are unoccupied. Given this mindset, we fear that the proposed addition is perhaps a means by which to increase the home's square footage and, therefore, its resale value.

Thank you in advance for your consideration in this matter.

Respectfully submitted,

Kimberly and James Vilt

RE: VAR-15657 - VARIANCE

Dear Mr. Robbins

Please be advised the City Planning Commission at its regular meeting on **September 21, 2006** as referred to above, will consider your request. This meeting will be held at 6:00 P. M. at the Council Chambers of City Hall, 400 Stewart Avenue, Las Vegas, Nevada.

A copy of staff's recommendations, any conditions related to your application and the **final agenda** will be mailed to you prior to the meeting. If you do not receive these documents by the day of the meeting, please call the Current Planning Division at 229-6301 or come into the Development Services Center at 731 South Fourth Street to request your copies.

The Planning Commission requires that you or your representative be present at this meeting.

Sincerely,

John Korkosz, Planning Supervisor
