DEVELOPMENT IN YOUR NEIGHBORHOOD

As you know, Richmond American Homes (RAH) recently purchased the adjacent property for a single family residential subdivision in your neighborhood. In meeting the neighborhoods concerns and the conditions of approval of the zoning and site review. There were some minor modifications necessary to the approved plan based on meeting those conditions and the City of Las Vegas Planning staff, and Councilman Ross has asked us to resubmit the plan for review and approval. I am representing RAH and would like to take this opportunity to discuss these changes with you. I do know that the holidays are upon us and time is very precious to all, I am sorry that I missed you so please contact me at the numbers below and I will discuss the changes with you and provide everyone with a copy of the plan to review. If the neighborhood would like to all meet together, I can coordinate this or meet and discuss this with everyone individually. It is important to me and RAH to continue working with and keeping the neighborhood informed as to our plans and necessary changes, as we are now a part of your neighborhood.

Thank you very much for your time,

Re: **ZON-17697** Richmond American Homes NWC and NEC of Ann Road and Mustang Street
Request for a Zoning Reclassification From: U and R-E To: R-PD3

CONDITIONS OF APPROVAL:

1. Dedicate 30 feet of right-of-way adjacent to this site for Mustang Road, where such does not exist, 30 feet for the south side of El Campo Grande Avenue and a 15 foot radius on the southwest corner of El Campo Grande Avenue and Mustang Road.
2. Construct half street improvements on El Campo Grande Avenue and on Mustang Road adjacent to this site concurrent with development of this site. Installation of streetlights may be deferred provided that exterior streetlighting shall be stubbed out for later use, including all necessary underground conduit and pull boxes at each streetlight location and the developer provide to the City such streetlights for the future installation. Alternatively, monies in lieu of such deferred streetlights, including bases, may be contributed to the City if allowed by the Department of Public Works. Coordinate with the Land Development Section of Public Works regarding streetlighting requirements prior to submittal of construction drawings. Sign and record a covenant running with the land for all urban improvements (L-curb, sidewalk and streetlights) not constructed at this time on El Campo Grande Avenue and Mustang Road. Extend all required underground utilities, such as electrical, telephone, etc., located within public rights-of-way, past the boundaries of this site prior to construction of hard surfacing (asphalt or concrete).
3. Remove all substandard public street improvements, if any, adjacent to this site and replace with new improvements meeting current City Standards concurrent with on-site development activities. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.
4. Extend public sewer in Mustang Road to the northern edge of this site at a depth and location acceptable to the City Engineer. Provide public sewer easements for all public sewers not located within existing public street right-of-way prior to the issuance of any permits. Improvement Drawings submitted to the City for review shall not be approved for construction until all required public sewer easements necessary to connect this site to the existing public sewer system have been granted to the City.
5. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings or the submittal of a Map subdividing this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site. In lieu of constructing improvements, in whole or in part, the developer may agree to contribute monies for the construction of neighborhood or local drainage improvements, the amount of such monies shall be determined by the approved Drainage Plan/Study and shall be contributed prior to the issuance of any building or grading permits, or the recordation of a Map subdividing this site, whichever may occur first, if allowed by the City Engineer.

TO Whom it May Concern,

I Disagree With the development on case ZON-17697 & SDR-17698. To many houses on such a small area. We are county and are Trying To Keep our Neighborhood that way. We are either one acre or less.

Help us preserve what we have or have for many years. We have animals, like, horses, chickens, cows, Goats, etc.

How did our county line get changed? First they change the zoning, then you want to build Track homes. Where are our rights?

So I am against the building of 32 lot Residential on 10.30 Acres.

Lets Try to Keep with our area.

Thank-you
