To Whom It May Concern:

We are requesting that you grant us a special use permit to erect a casita that will be used as a 'mother-in-law' house. The casita will be painted the same color as the house. It will be located on the back corner of our lot. The location of the building will be situated such that it will not be directly next to anyone's home. We believe that the height and size of the casita will comply with the General Standards for Residential Districts as listed in the Las Vegas Zoning codes # 19.089040B.

The purpose of the building is to provide living space for my mother-in-law who will be re-locating here from Ohio. We believe that this building will not adversely affect our neighbors and will be consistent with other structures that are in the neighborhood.

Thank you for your time and consideration in this matter.

Sincerely,

Lyle L. Loob
