Re: Temporary Commercial Permit Extension

Dear Ms. Wheeler,

I am writing to request an extension of the temporary commercial permit at the WestCare acute psychiatric facility at 401 S. Martin Luther King Boulevard from October 1st, 2006 through June 30th, 2007.

Pursuant to Councilman Lawrence Weekly's direction, WestCare held a Neighborhood Meeting on September 7th, 2006 to obtain community comments and feedback on this proposal. Attendance at this community forum was sparse.

Accordingly, we have been given permission by Councilman Weekly to proceed with our request for an administrative approval in this matter from your office.

Thank you in advance for your assistance in granting approval for the permit extension. If you need any additional information, please do not hesitate to contact me.

Sincerely,

Kirby L. Burgess
WestCare Nevada Regional Vice President

Re: Future use of Martin Luther King Facility

Dear Ms. Wheeler,

This letter is in follow up to my correspondence on September 13, 2006 regarding the WestCare Acute Psychiatric facility at Martin Luther King (MLK) Boulevard.

Per Councilman Lawrence Weekly's direction, I am writing to convey that the future plans for the facility will continue to be related to its use as an alcohol and drug treatment center. Although we have not yet identified the specific future use of the MLK Center, some of our options include, but are not limited to the following:

- Community Involvement Center where we will conduct initial alcohol and drug screening, counseling, and referrals.
- A transitional center into the community for adult men who are graduating from our Harris Spring Ranch Substance Abuse Treatment Center.
- A youth shelter facility for runaway and unmanageable adolescents, and youth with alcohol and drug related issues. Please note that the MLK Center had previously served in this capacity.

We are looking forward to our continued good working relationship with the City of Las Vegas. We will continue to provide quality services to some of our community's most needy population until the freeway expansion occurs sometime in 2008.

Thank you in advance for your attention and assistance in this matter. Please do not hesitate to contact me at (702) 385-2090, ext. 223 should you have any questions.

Sincerely,

Kirby L. Burgess

City of Las Vegas
Building Department

Las Vegas, NV 89101

Greetings:

This letter is for the purpose of explaining the intended use of the building located at 401 Martin Luther King Street, Las Vegas, Nevada for a temporary license. The front building will provide office space for physicians, social workers, case managers, and other staff and the rear building will be used for patient care.

WestCare Nevada, under the RFP provided by and authorized by the Governor of Nevada, is planning to provide drug and alcohol/mental health beds as a part of the system of public mental health services available from the State of Nevada, in conjunction with the Southern Nevada Mental Health to alleviate the overcrowding in the local emergency rooms.

The State of Nevada Bureau of Licensing and Certification has licensed the facility as a hospital as BLC has determined the subject site is physically suitable for the type and intensity of the use being proposed. This use is compatible with existing land uses on the same property and on surrounding properties. There will be adequate public access to the site, however, the nature of the facility limits the need for public access. All patients will be transported by WestCare from surrounding hospitals to our facility. Adequate parking has been secured with on-site parking and the lease of adequate off-site parking spaces. Please see attached lease agreement.

Sincerely,

Maurice Lee
Vice President WestCare Nevada
