Subject: TCP (SWC Decatur and Vegas)

Dave,

I have an application for a TCP (Inland Empire Carnival) on City property at the SWC of Decatur and Vegas Dr). The applicant has submitted a letter from Michael McDonald, Alpha Omega Strategies, that was apparently sent to Scott Adams stating Alpha Omega has no issue with allowing Inland Empire to use the site for a Carnival. Do you know why they would be submitting this? The assessor shows CLV Redevelopment as the property owner. I assume we are still going to need a City signature to allow this activity, unless there is something about Alpha Omega Strategies that I am unaware of.

Thanks,

Tom Burkart

Tom,

The TCP at Vegas and Decatur is good to go from the RDA/OBD side.

FYI,

Dave

We wrote the carnival agreement, and AO has given us a letter of consent. Ms. Jeanne Maust in CW Tarkanian's office is reviewing now, and if they are okay with it then we should sign off on the carnival.

Jeanne, is your office okay with this to release permits for the carnival? Thanks.

Tom,

Alpha Omega has been working with OBD to develop the site. I am not sure of the current status between OBD and Alpha so I have copied Steve and Stoney for their input.

I do not believe we will have any issues with the carnival. The site has been used for carnivals in the past.
