LETTER OF JUSTIFICATION FOR BANNER PERMIT

The applicant is an apartment complex with a very low occupancy rate, currently at 80% compared with the city wide average of 95%. Our sources of prospective tenants come from foot and drive by traffics.

The purpose of installing temporary banners is to attract the attention of the prospects to come in to apply for rentals. Without the banner, they will not notice the existence of the apartment complex and its promotional program. Consequently the existence of the rental business risks a closure or even bankruptcy. It is with this possible dire consequence, we are applying for a temporary permit to hang up banners along the street side iron fence for a period allowed by the City Ordinances. The banners are in size 4' x 12'.
