Re: **VAC-24407** First Christian Church SEC Rancho Dr. & Mesquite Ave.
Request for a Petition of Vacation of right-of-way

We present the following information concerning this request to vacate certain public street ROW:

- A. Does this vacation request result in uniform or non-uniform right-of-way widths? *This Petition of Vacation is for a portion of unused right-of-way on the south side of Mesquite Avenue and an unused portion of Tonopah Drive along the east side of Assessor's Parcel #139-32-501-001. The right-of-way width of Mesquite Avenue will continue to conform to the City's Master Plan of Streets and Highways.*
- B. From a traffic handling viewpoint will this vacation request result in a reduced traffic handling capability? *No, since the right-of-way proposed to be vacated portions of Mesquite Avenue and Tonopah Drive are not used for traffic.*
- C. Does it appear that the vacation request involves only excess right-of-way? *Yes.*
- D. Does this vacation request coincide with development plans of the adjacent parcels? *Condition of approval No. 4 of Zoning Reclassification ZON-20482 required submittal of this vacation. There is a related Site Development Plan Review SDR-20483.*
- E. Does this vacation request eliminate public street access to any abutting parcel? *No.*
- F. Does this vacation request result in a conflict with any existing City requirements? *No.*
- G. Does the Department of Public Works have an objection to this vacation request? *No.*

If approved, the following conditions are recommended:

CONDITIONS OF APPROVAL:

1. The limits of this Petition of Vacation shall be defined as the south 10 feet of Mesquite Avenue from Rancho Drive and extending east approximately 885 feet and the west 30 feet of Tonopah Drive extending from the southern right-of-way line of Mesquite Avenue south approximately 245 feet.
2. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the recordation of the Order of Vacation for this application. Appropriate drainage easements shall be reserved if recommended by the approved Drainage Plan/Study. The drainage study required by ZON-20482 may be used to satisfy this requirement provided that it addresses the area to be vacated.
3. All existing public improvements, if any, adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense prior to the recordation of the Order of Vacation.
4. The Order of Vacation shall not be recorded until all of the conditions of approval have been met provided, however, that conditions requiring modification of public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain dedicated and available for public use. Also, if applicable and where needed, public easement corridors and sight visibility or other easements that would/should cross any right-of-way or easement being vacated must be retained.

Mr. Rodriguez,

Attached are the utility letters for Nevada Power, Cox and Embarq that want easements reserved. If you are able to acquire new letters (without the easement reservations) please see that I get a copy.

If you decide that you want the easement retained, please advise me. However, I will need plans from Nevada Power showing me where their lines are located.

Re: Vacation of excess right of way on Mesquite and Tonopah

APN: 139-32-501-001

This is a request to vacate a portion of existing right of way Mesquite Avenue and Tonopah on the parcel noted above.

The request is justified as there is a condition on ZON-20482, Condition #4 to apply for the Petition of Vacation of the east portion and the south 10 feet of Mesquite. This request satisfies that condition.

We respectfully request a positive recommendation for the application.
