Subject: Refund for DVN-25530

Nora,

Please refund the fees paid for DVN-25530 (\$100.00). After the application was submitted to Planning we found that it did not qualify for consideration as an Administrative Deviation, since it is on commercial property. A variance is therefore required, for which a pre-app has already been scheduled.

No file was created, as we caught the error prior to further processing. I do have the original application form, which I will provide to you.

Thanks.
