Please accept this letter as our formal notice requesting abeyance of the Application for Vacation of Alleyway filed by Ike Gaming, Inc. (Case # VAC-36478) on October 22, 2009.

IKE Gaming is attempting to get the adjoining landowners to agree on a cross access easement agreement. It is also investigating the options for fire and garbage access in lieu of dedicating land for a turn around. One option we want to explore with your department is providing gated access on each end of the alley.

Please abey the case to the February 25, 2010 meeting.

RE: IKE GAMING, INC. – ALLEY VACATION - #36478

Dear Mr. Reid:

As we discussed earlier this afternoon, IKE Gaming, Inc. would like to amend its justification letter and propose different circumstances under which it is requesting a vacation of the alleyway.

Specifically, it would like to abandon the idea of a turnaround in the middle of the alleyway. The location of the utilities has made this expensive, in addition to creating design problems. It would like to amend the application to provide for gates on each end of the alley restricting access. Those gates would begin on the property side of the sidewalk. Although the specifics are yet to be worked out, there would be some controlled access mechanism, whether a key code, card, or otherwise. Whichever alternative is selected, there would be access for the fire department, garbage collection, City access for maintaining the sewer, other easement user access, and landowner access. It is probable there would be some automatic feature, so if you were in the vacated alley the gate would automatically open when the vehicle approached it. It is unclear whether the gate would roll open or be a drawbridge style gate. Whatever the case, IKE Gaming anticipates a joint access agreement with all of the adjacent landowners addressing circumstances normal for this type of relationship.

We see the first step in this process to be obtaining your positive input to the idea. With your conditioned approval, the next step would be to obtain the execution of a joint access agreement. My client does not want to spend the time chasing the joint access agreement if the

idea is not acceptable. At this time it would not, under any circumstance, wish to proceed with the "turnaround" dedication as initially proposed.

If I can be of further assistance please feel free to contact me. Thanking you in advance for your cooperation.

Re: VAC-36478 IKE Gaming, Inc. West of 7th Street, between Ogden Avenue and Stewart Avenue
Request for a Petition of Vacation of a public alley

We present the following information concerning this request to vacate certain public street ROW:

- A. Does this vacation request result in uniform or non-uniform right-of-way widths? *Uniform, as it will completely eliminate a public alley.*
- B. From a traffic handling viewpoint will this vacation request result in a reduced traffic handling capability? *No, since public alleys are not primary traffic handling roadways. In addition, the applicant has proposed that the bulk of the alley remain as a private alley, continuing to provide trash collection access and other alley functions.*
- C. Does it appear that the vacation request involves only excess right-of-way? *No.*
- D. Does this vacation request coincide with development plans of the adjacent parcels? *Partially. The Vacation is proposed by the owner of two of the six abutting properties, to begin the process of development of a recreational amenity for the El Cortez Hotel, which has not yet been submitted for Site Plan Review. However, the remaining 4 parcel owners have not indicated approval of the Vacation, which could have substantial impact on their operation.*
- E. Does this vacation request eliminate public street access to any abutting parcel? *No.*
- F. Does this vacation request result in a conflict with any existing City requirements? *The bulk of the alley is proposed to remain as a private alley, but dead-ending into a wall or fence at the southern property; dead-end alleys are not allowed, so a condition is proposed to require a turn-around termination.*
- G. Does the Department of Public Works have an objection to this vacation request? *Yes. Since the proposed plan of retaining the bulk of the alley as a private access relies on non-applicant property owners allowing the use of their (post-Vacation) private property for joint access, Public Works cannot recommend approval of this action absent those property owners' agreement. Proof of agreement by those owners is recommended if this action is approved.*

Public Works recommends **DENIAL** of this Petition of Vacation. If approved, the following conditions are recommended:

CONDITIONS OF APPROVAL:

- 1. The limits of this Petition of Vacation shall be defined as the full-width of the public alley located west of 7th Street, between Ogden Avenue and Stewart Avenue, except as amended by conditions herein.
- 2. Provide a plan showing how the right-of-way proposed to be vacated will be incorporated into the abutting properties, including those properties not controlled by the applicant, so that an un-maintained "no-man's land" area is not produced by this action. The required plan shall identify exactly who is responsible to reclaim each portion of right-of-way and exactly how the right-of-way will be reclaimed, shall provide a schedule of when such reclamation will occur, and shall include signed affidavits from each affected property owner agreeing to the plan. The plan must also show how subsequent improvements, in accordance with the submitted Exhibit "A", will not result in a "dead-end" termination of the alleyway; appropriate easements or right-of-way for a turn-around acceptable to the City Traffic Engineer shall be provided to terminate the remaining alley (public or private, as appropriate) prior to or concurrent with recordation of the Order of Vacation. The plan shall be approved by the City Engineer prior to the recordation of the Order of Vacation or the submittal of any construction drawings adjacent to or overlying the area requested for vacation, whichever may occur first.
- 3. This Petition of Vacation shall be modified to reserve a 20-foot public sewer easement overlying the existing public sewer main. This easement must maintain paved, all-weather drivable access to the manhole adjacent to APN# 139-34-612-003. No structures or landscaping over 30 inches are allowed within this easement. Alternatively, the applicant may provide a sewer relocation/abandonment plan acceptable to the Collection System Planning Section of the Department of Public Works prior to the recordation of the Order of Vacation. This Petition of Vacation shall not record until civil improvement plans for the sewer relocation/abandonment plan are approved by the City of Las Vegas and an easement for the new sewer alignment is submitted if required.
- 4. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the recordation of the Order of Vacation for this application. Comply with the recommendations of the approved Drainage Study. Alternatively, in lieu of a Technical Drainage Study, the entire 20-foot public alley may be reserved as a public drainage easement (to be privately maintained).
- 5. All public improvements, if any, adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense prior to the recordation of an Order of Vacation.
- 6. The Order of Vacation shall not be recorded until all of the above conditions have been met provided, however, that modifications to public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain dedicated and available for public use. Also, if applicable and where needed, public easement corridors and sight visibility or other easements that would/should cross any right-of-way being vacated must be retained.

RE: EL CORTEZ – OGDEN HOUSE VACATION OF ALLEYWAY

To Whom it May Concern:

This office represents the applicant, IKE Gaming, Inc. (IKE Gaming) f/k/a Exber, Inc., d/b/a El Cortez Hotel and Casino in the above-referenced matter. This application is for a vacation of an alleyway. This vacation is requested to compliment the already completed renovation of the Ogden House, now rebranded Cabana Suites, and is necessary for the proposed future expansion and development of the El Cortez adjacent parking lot. IKE Gaming will be submitting other applications at a later date for the Proposed Expansion, described below.

This vacation is viewed as the second step in the expansion process. The first step was the redevelopment of the Cabana Suites f/k/a the Ogden House. IKE Gaming spent Eight Million Dollars (\$8M) completing this first phase of the project. This work consisted of an entire renovation of the interior and exterior of the Ogden House, and the re-branding of the property to Cabana Suites. The next step in the El Cortez redevelopment is a pool and patio project to be built on the valet parking lot and alleyway adjacent to the Cabana Suites (the "Proposed Expansion"). That alleyway will be promptly converted to a courtyard that compliments and transitions the entrance of the hotel and later provides pedestrian access to the pool.

The area for which applicant is seeking a vacation is generally described as: the alleyway running between Stewart Street and Ogden Street in parallel to 6th and 7th Streets ("Alleyway"). That area is marked by hand on the attached assessor's parcel map, Attachment #1. It is also identified on the survey by LOCHSA SURVEYING, Attachment #2.

Real Property Impacted by Proposed Vacation. As a preliminary manner, there will be two uses of the vacated alley: 1) the portion of the alleyway running between the parcels owned by IKE Gaming on which the courtyard linking the Proposed Expansion will be located (APN 139-34-512-027 and 139-34-612-003) ("Courtyard"); and 2) the remainder of the alley,

VAC-36478

ARMSTRONG TEASDALE LLP

which continues to be used as a private alleyway, and is adjacent to parcels owned by S&J Group, Inc. (APN 139-34-512-029); Henry J PPTYS Las Vegas LLC (APN 139-34-512-028); JASSA Inc. (APN 139-34-612-001 and 002); Neighborhood Housing Services of Southern Nevada (APN 139-34-512-030); and IKE Gaming (whose parcel abuts the entire western edge of the alley) (APN 139-34-512-027) ("Private Alleyway").

A. Courtyard. With respect to the Courtyard, the relevant portion of the alley will be vacated in favor of the two adjacent parcels, both owned by IKE Gaming (APN 139-34-512-027 and 139-34-612-003). It is across this area that the Proposed Expansion will develop as a patio/sidewalk/garden, linking the Cabana Suites to the El Cortez swimming pool complex, which complex will be built on the area currently used as valet parking. A schematic drawing of the Proposed Expansion is attached hereto as Exhibit "A". The concept drawings for the proposed patio are enclosed as drawings A and #1 - 3.

B. Private Alleyway. With respect to the Private Alleyway, the relevant portion of the alley is abutted by property owned by the above-referenced non IKE Gaming parties on the eastern side. The western side is owned by IKE Gaming.

C. Easements & Utilities. If a turnaround is necessary or required, IKE Gaming proposes to dedicate a common access easement across its property (APN 139-34-512-027) for a turnaround to maintain garbage and emergency ingress and egress from Stewart Street.

It is intended that all existing utility easements remain in place. Given the existing intensive utility use of the alleyway, IKE Gaming previously dedicated a utility easement on its parcel APN 139-34-512-027 to facilitate expansion of the El Cortez Hotel and Casino and Cabana Suites. That dedication included IKE Gaming burying the power line in that newly dedicated underground easement.

We don't believe there are any street lights that need relocation or removal. One street light was relocated when the utilities were relocated underground as discussed above.

D. Adjacent Landowners. Those landowners have been contacted on several occasions, most recently by certified mail, and verbal support has been received from 3 of the 4. We will seek letters of support, if necessary.

E. Development Standards. At the present time IKE Gaming is not requesting any setbacks, streetscape, utilities or other waivers with reference to the Proposed Expansion, because no approvals for it are being requested. No parking study has been conducted because it is viewed that the Proposed Expansion and the loss of the valet parking area can be absorbed through existing on site parking.

ARMSTRONG TEASDALE LLP

F. Further Justification. The Cabana Suites renovation vastly improved the surrounding streetscape. Its "hip" designed room renovation is designed to attract a younger, different, more affluent clientele to the downtown. That appeal fails when a hotel guest steps out the front door and is confronted with a rundown alleyway. Because of the guests' and El Cortez's security concerns related to the alley, the El Cortez has posted 24 hour security at the Cabana Suites. It continues to incur these unnecessary additional costs. Turning the adjacent vacated alleyway into the Courtyard will mitigate the security concerns, while creating a much more attractive streetscape and sense of "arrival".

G. Fees. Enclosed with this letter are two checks - \$500, plus \$500 for notification and advertising.

H. Application. Enclosed is the Application/Petition Form with Statement(s) of Financial Interests from all shareholders of IKE Gaming.

I. Grant Deeds. Attached as Exhibits "B" and "C" are copies of the vesting deeds for the IKE Gaming properties abutting the Alleyway.

J. In Closing. The Proposed Expansion will be a first of its kind in the downtown Las Vegas area creating a festive pool atmosphere, while creating additional employment opportunities for locals, as well as the additional tourist amenities that will facilitate the revitalization and redevelopment of downtown Las Vegas. The vacation is part of that expansion and creates a sense of arrival for both the visitors at the El Cortez, and for the guests at the newly renovated Cabana Suites f/k/a Ogden House. This type of pedestrian patio and passageway is needed today to finalize the approach from the El Cortez and to complete the vision created by the \$8 million renovation of the Cabana Suites.

Thank you for your consideration of this matter and please feel free to contact myself or Mike Nolan directly should you have any questions or concerns.

Sincerely,

Bruce A. Leslie, Chtd.
