E. TENTATIVE MAP - WESTCLIFF HEIGHTS

Property generally located at the northeast corner of Cimarron Road and Westcliff Drive, N-U zone (proposed R-1).

Owner/Subdivider: Beauty Built Homes

No. of Lots: 15.6

No. of Acres: 62

This map is tied into Item "D" for a proposed single family subdivision. The map generally meets the requirements of the subdivision regulations. A waiver is being requested to allow a row of lots to front on Cimarron Road, which is a Secondary Street (80' wide), and are less than the required 100' width. The 7 lots range in width from 67' to 85'. The 100' lot width was waived in the subdivision to the south that was approved in the County and then annexed.

PLANNING COMMISSION RECOMMENDATION: Approval - Subject to approval of zoning application Z-49-80, constructing the flood channel improvements along the north-west portion of this subdivision as required by the Department of Public Services and waiving the 100' lot width requirement on Cimarron as long as a circular driveway is provided on each lot.

STAFF RECOMMENDATION: Approval of the subdivision and Denial of the 100' lot width waiver on Cimarron Road.

F. ZONE CHANGE - Z-50-80 - JOHN AND EDNA LUCKMAN

Property generally located on the northwest corner of 11th Street and Garces Avenue, from R-3 and C-2 to C-2.

Proposed Use: Publishing and Retail Sale of Books

The request is located in an area where a commercial pattern exists. There is C-2 to the east and south and a portion of this property is currently C-2. The applicant wishes to construct an addition to his publication and book sale operation which is presently on this property.

PLANNING COMMISSION RECOMMENDATION: Approval - In conformance to the zoning pattern in the area.

STAFF RECOMMENDATION: Approval

PROTESTS: 0

G. ZONE CHANGE - Z-53-80 - CHEYENNE, A PARTNERSHIP

Property generally located at the northwest corner of Cheyenne Avenue and Jones Boulevard, from N-U to C-1 and R-D.

Proposed Use: Shopping Center and Low Density Detached Single Family Dwellings

This land was annexed to the City recently. To the north, west and south is R-E zoning in the County and to the east on the opposite corner is approved C-1 zoning for a shopping center. To the southeast is land that was also annexed recently to the City under the N-U classification and commercial zoning for a shopping center was denied in the County on that site. The area around the approved shopping center to the east is rapidly developing with single family homes. The development plan proposes a shopping center with a row of R-D lots to the west to act as a buffer.

PLANNING COMMISSION RECOMMENDATION: Approval - The site is a logical location for a shopping center to serve this area.

STAFF RECOMMENDATION: Denial - There is sufficient commercial zoning at this location and there is substantial commercial zoning along Rancho Drive approximately 3/4 of a mile to the east.
