Except as provided in Section 6.9, no Member shall pledge, hypothecate, encumber or otherwise permit a security interest to attach to his Percentage Interest in the Company, as now owned or as may be hereafter acquired, or contract to pledge, hypothecate or encumber such Percentage Interest, without the prior written consent of the Manager. 7.2 Continuance of the Company. Notwithstanding the foregoing provisions of Section 7.1, upon the occurrence of an event described in subsection 7.1(c), the remaining Members shall have the right to continue the business of the Company. Such right may be exercised only by the affirmative unanimous vote of the remaining Members and, if there is only one remaining Member, provided that an additional individual or entity becomes a Member within 90 days after the occurrence of an event described in Section 7.1(c) to continue the business of the Company. If not so exercised, the right of the Members to continue the business of the Company shall expire and the Company's affairs shall be wound up as provided in this Article VII.

The liquidator shall distribute all proceeds of the liquidation to the Members first in repayment of the positive balances, if any, in their Capital Accounts; and thereafter in proportion to their respective Percentage Interests.

7.5 Distribution in Kind. If the liquidator shall determine that a portion of the Company's assets should be distributed in kind to the Members, it shall distribute such assets to the Members in undivided interests as tenants in common in proportion to their respective Percentage Interests. In the event that some or all of the Company's assets are not sold, the Members shall determine the fair market value of the unsold assets, and the gain or loss that would have been realized if the assets had then been sold shall be determined, and the Capital Accounts of the Members shall be adjusted accordingly.

7.6 Negative Capital Account Restoration. 4.10 Indemnity. The Company does hereby indemnify and hold harmless its Members and Managers to the fullest extent permitted by NRS. Notwithstanding anything to the contrary in this Agreement, in no event will any indemnification obligation of the Company subject any Member to personal liability.

Each Member agrees to cooperate with the Manager and to do or refrain from doing any or all things reasonably required by the Manager to conduct such proceedings.

5.6 Transfers During Year. To avoid an interim closing of the Company's books and records, the share of profits and losses under Article III of a Member who transferred all or part of his Percentage Interest in the Company during the calendar year shall be determined by taking his proportionate share of the amount of profits and losses for the year. The proration shall be made based on the portion of the calendar year that has elapsed prior to the transfer. The balance of the profits and losses attributable to the transferred interest shall be allocated to the transferee of such Percentage Interest.

ARTICLE VI – TRANSFERS OF PERCENTAGE INTERESTS

(a) No Member shall transfer or dispose of a Percentage Interest in the Company at any time during the term of this Agreement except upon the consent of the Manager. As used herein, the term "transfer" shall include any sale, gift, pledge, assignment, bequest, trade, exchange, and any other transfer of any kind, whether voluntary or involuntary, and whether or not for consideration.

(b) Notwithstanding the provisions of Section 6.1(a), the assignment of a portion of a Member's Percentage Interest to a revocable living trust or to a limited partnership that is controlled by the Member making the assignment shall not be deemed a "transfer" of a Percentage Interest, during such times that such assignee is and continues at all times to be controlled by the Member making such assignment, and provided, further, that any such assignee agrees to be bound by all provisions of this Agreement. Any event that results in the foregoing conditions ceasing to be satisfied shall be deemed to constitute a "transfer," for purposes of this Article VI, which transfer shall be deemed to take place upon the occurrence of the event that results in the foregoing conditions ceasing to be satisfied.

6.2 No Encumbrance. Except as provided in Section 6.9, no Member shall pledge, hypothecate, encumber or otherwise permit a security interest to attach to his Percentage Interest in the Company, as now owned or as may be hereafter acquired, or contract to pledge, hypothecate or encumber such Percentage Interest, without the prior written consent of the Manager. Whether or not such consent is given, the rights of any security holder shall be subordinate and subject to the rights and obligations created by this Agreement.

6.3 Transfer of Interest by Manager of the Company. A Manager who for any reason ceases to own a Percentage Interest in the Company or in another entity that is a Member shall cease to be a Manager. (b) The incapacity, bankruptcy, withdrawal or dissolution of the Manager; provided, however, that the Manager may decide, within ninety (90) days of the occurrence of such event, to continue the business of the Company, in which case the Company shall not dissolve;

Notwithstanding the foregoing provisions of Section 7.1, upon the occurrence of an event described in subsection 7.1(c), the remaining Members shall have the right to continue the business of the Company. Such right may be exercised only by the affirmative unanimous vote of the remaining Members and, if there is only one remaining Member, provided that an additional individual or entity becomes a Member within 90 days after the occurrence of an event described in Section 7.1(c) to continue the business of the Company. If the liquidator shall determine that a portion of the Company's assets should be distributed in kind to the Members, it shall distribute such assets to the Members in undivided interests as tenants in common in proportion to their respective Percentage Interests. In the event that some or all of the Company's assets are not sold, the Members shall determine the fair market value of the unsold assets, and the gain or loss that would have been realized if the assets had then been sold shall be determined, and the Capital Accounts of the Members shall be adjusted accordingly.

Any cash so contributed to the Company shall be applied to pay Company creditors, or shall be distributed to the other Members, pro rata, in proportion to their positive Capital Account balances. Any contribution that is required to be made by reason of this Section shall be made not later than the end of the taxable year during which the Membership is liquidated or, if later, within ninety (90) days after the date of the liquidation.
