Re: SUP-37930 & SDR-37929

This petition from the residents of Sierra Highlands and Eagle Trace residential tracts is to file a **strong formal protest** to the above actions.

In our opinion this is excessive in height for a residential area as well as big enough to house a casino. Many of the residents fought similar requests when they were made by the Canyon Ridge Christian Church. **NO EXCEPTIONS SHOULD BE MADE FOR THE SIKH TEMPLE.** Based on what appears to be minimal usage currently, these requests are excessive and inconsiderate of the surrounding residential community. Additionally, these requests indicate that a great deal of additional traffic would be imminent.
