Re: **Westcliff Heights Senior Apartments**
(SDR-44480 & VAR-44481)
APN# 138-28-401-021

Dear Yorgo,

On behalf of our client Nevada H.A.N.D., Inc. we are pleased to submit this justification letter for a Site Development Plan Review and a residential adjacency setback Variance for the proposed Westcliff Heights Development. Westcliff Heights is a proposed 80-unit senior apartment building located on the north side of Silver Sky Drive approximately 450 ft east of Roland Wiley Drive.

Our client is proposing to develop 80 one and two-bedroom senior rental apartments in one three-story building specifically designed for low-income senior citizens in the Las Vegas valley. Westcliff Heights is the second phase of a two phase project which included Westcliff Pines a 40-unit building and a 4,500 s.f. recreational building that serves only the residents.

With the exception of some minor changes to the building footprint this application is very similar to the site and variance approved with SDR-35552 & VAR-35555. We feel that this development will be compatible with the surrounding area, and is in conformance with the master plan designation for this parcel. The parcel is currently zoned R-3 which allows up to 25.49 units per acre. Therefore we respectfully request that staff recommend approval for both the Site Development Plan Review and Variance applications.

If you have any questions or comments, please feel free to contact me at your earliest convenience.

Re: Westcliff Pines Senior Apartments
Site Development Plan Review – Justification Letter (Ref. SDR 33010)
APN: 138-28-401-019

Dear Staff:

Please accept this correspondence as our Site Development Plan Review submittal for our newest development, Westcliff Pines Senior Apartments located on the north side of Silver Sky Drive, approximately 450 ft. east of Roland Wiley, Las Vegas, Nevada.

We are proposing to develop 40 one and two-bedroom rental apartments in one two-story building specifically designed for low-income senior citizens in the Las Vegas valley. Westcliff Pines is the first phase of a two-phase project, which includes a 4,500 sq. ft. recreation building that can only be accessed by residents.

With the exception of the addition of a clubhouse and some minor site adjustment this application is very similar to the site approved with SDR 33010. The purpose of this SDR is to allow for parcel lines to be platted for financing purposes. We are also asking for a waiver of the perimeter landscaping requirements were the lot line cross parking and drive aisles.

We feel this development will be compatible and benefit the surrounding area, and is in conformance with the masterplan designation for this parcel. The parcel is currently zoned R-3, which allows 25.49 units per acre. Therefore, we respectfully request that staff recommend approval of this Site Development Plan Review application.

Please feel free to call me at (702) 739-3345 ext. 243 if you have any further questions. Thank you.

Sincerely,

Jacquie Haas
