Re: Justification Letter
SUP – 53471 Extension of Time
1310-1316 S. 3rd Street, Las Vegas, NV

We are requesting an extension of time to Special Use Permit 53471, which was originally approved on May 13, 2014 for an Urban Lounge at 1310-1316 S 3rd Street in Downtown Las Vegas, Nevada.

Per condition #3 of the approval letter (attached) we have not yet exercised the use for which we were approved, and therefore are eligible for an Extension of Time. This is our first request for an extension.

The original applicant for the Urban Lounge use in this premises (Tenaya Creek Brewery) elected to renovate and occupy a building at 831 Bonanza and has decided not to proceed in this location. We have a number of other users that we are currently considering for the premises, and feel strongly that we will have a lease consummated with someone upon completion of the improvements to the building later this year.

We have been underway on extensive renovations to the building for the past year and hope to be ready for occupancy by the end of 2016. We will have invested over \$1million in the property at completion and are excited about the prospects for continued property development in the area, and a renewed interest from tenants to be in the south Arts District.

Should you have any questions relative to this application, please do not hesitate to contact me.

Sincerely,

Christina E. Roush
