**RE: Justification Letter for Extension of Time for Granite Falls 2 (CLV#107Y5005)
Variances: VAR-53845 (Lot 29),**

Slater Hanifan Group, on behalf of the applicant, Richmond American Homes, respectfully submits this justification letter in support of an Extension of Time for a variances for the subject project.

The subject project was approved for a 40 lot single family residential subdivision with R-1 zoning. The approved entitlement applications are GPA-52122, ZON-52123, TMP-52127, VAC-52125, and WVR-52171.

The subject site is located at the northwest corner of Iron Mountain Road and Bradley Road. The Assessor's Parcel Number is 125-01-415-029.

The purpose of the Variance is to allow 10-foot corner side setbacks instead of 15-foot corner side setbacks as per the UDC for R-1 developments. The original request included variances for eight different lots. Homes on four of the lots have already been sold so this extension of time is only for the remaining four lots.

The requested corner side setback reductions are for internal roadways only. The reduced setback positions the house 15 feet away from the back of curb. There would be a 5-ft sidewalk, a 5-ft landscape strip, a split face decorative masonry wall and a typical 5-ft side yard behind the wall. Aesthetically, the proposed reduced corner setback looks evenly spaced as compared to the typical non-corner lots. Additionally, the reduced setback has no impact on Fire Code since they are not adjacent to other structures.

We feel that the requested reduction in the corner side setback has neither adverse impact to public safety, nor any significant impact on the aesthetics of the community or surrounding properties. This site is actively under construction and the community has about 17 homes already sold.

Thank you for considering this extension of time request. Please contact me at (702) 284-5300 if you have any questions regarding this application.

Sincerely,

Slater Hanifan Group, Inc.
