RE: Special Use Permit for Retail establishment with Accessory Off-sale packaged liquor, beer and wine.

Dear Sir/Madam;

Please consider this request to allow off-sale packaged liquor, and beer and wine from the existing Sienna Deli and Restaurant business. Currently a single building located at 9500 West Sahara Avenue operates as a supperclub and a 1428 SF ethnic specialty merchandise store.

The ethnic market sells deli and bakery items as well as dry goods. The applicant wishes to offer Italian wines, beers and liquors within the retail store for consumption off premises. The beer and wine will be located on the shelves facing the breakfast tables within the deli. The total area on this shelf devoted to beer and wine is 10' wide X 4' deep X 6 shelves high. Up to six square feet will be within the deli coolers for items that need a chilled storage environment. With reference to Liquor, up to 32 SF of shelf space is proposed. The liquor shelving is located behind the bakery such that it is accessible only to employees.

The subject building is located on a parcel within the Village Square commercial subdivision. Technically, 27 parcels are located on one property within this commercial subdivision. As a result a waiver of distance separation is required from the nearest religious institution. While there is approximately 435 feet between the parcel boundary of the subject lot and the parcel line of the religious institution, the two uses are technically on the same property. A library is located approximately 600 feet to the west of the property. As such, this use meets the minimum distance separation required by Title 19.

Very truly yours,

Lora Dreja
