18 SECTION 2: The City Council hereby determines that the described territory
19 meets the requirements provided by law for annexation to the City for the following reasons:

20 A. The area to be annexed was contiguous to the City's boundaries at the time
21 the annexation proceedings were instituted;

22 B. More than one-eighth (1/8) of the aggregate external boundaries of the
23 area are contiguous to the City;

24 C. The territory proposed to be annexed is not included within the boundaries
25 of another incorporated city or within the boundaries of any unincorporated town as those

1 | boundaries existed as of July 1, 1983;

2 | D. The City is eligible to annex the described territory because the
3 | landowners have signed a petition constituting one hundred percent (100%) of the owners of record
4 | of individual lots or parcels of land within the annexation area.

5 | SECTION 3: The City will provide police protection through the Las Vegas
6 | Metropolitan Police Department, fire protection, street maintenance, and library services
7 | immediately upon annexation. Garbage collection by the company franchised by the City will also
8 | be provided immediately. The City sanitary sewer system will serve the proposed annexation area.
9 | Any connection to or extension of this sewer line to serve the annexation area shall be at the
10 | expense of the landowners. Other services, such as participation in the City's recreational

15 | in place at the time of annexation will be installed in the presently developed areas upon the request
16 | of the property owners and at their expense by means of special assessment districts. Such
17 | improvements will be extended into the undeveloped areas as development takes place and the
18 | need therefor arises, and will be located according to the needs of the area at that time. Such
19 | installations will also be made at the expense of the property owners, either by means of special
20 | assessment districts or as prerequisites to the approval of subdivision plats, building permits or
21 | other land use or development applications.

22 | SECTION 4: The annexation of the described territory shall become effective
23 | on the 23rd day of November, 2016, and on that date the City will have the funds appropriated in
24 | sufficient amount to finance the extension into the described territory of police protection, fire
25 | protection, street maintenance, street sweeping, and street lighting maintenance.

1 SECTION 5: The described territory, together with the inhabitants and property
2 thereof, shall, from and after the 23rd day of November, 2016, be subject to all debts, laws,

16 Council of the City of Las Vegas hereby declares that it would have passed each section,
