9 ORDINANCE NO. 6538

10 AN ORDINANCE TO EXTEND THE BOUNDARIES OF THE CITY, TO PARTICULARLY
11 DESCRIBE THE LAND TO BE ANNEXED, TO MAKE ITS INHABITANTS SUBJECT TO
12 THE LAWS, OBLIGATIONS AND BENEFITS OF THE CITY, AND TO PROVIDE FOR
OTHER RELATED MATTERS. (ANX-63953)

13 Sponsored by: Councilman Stavros S. Anthony Summary: Annexes property described as
14 generally located on the north side of Craig
15 Road, approximately 350 feet east of El
Capitan Way.

16 THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY
17 ORDAIN AS FOLLOWS:

18 SECTION 1: The corporate limits of the City of Las Vegas, Nevada, are hereby
19 extended to annex, include, and make a part of the City of Las Vegas, Nevada, the following
20 described real property:

21 The Southeast Quarter (SE 1/4) of the Southwest Quarter (SW 1/4) of the
22 Southwest Quarter (SW 1/4) of the Northeast Quarter (NE 1/4) of Section 5,
Township 20 South, Range 60 East, M.D.M, Clark County, Nevada.

23 SECTION 2: The City Council hereby determines that the described territory
24 meets the requirements provided by law for annexation to the City for the following reasons:

25 A. The area to be annexed was contiguous to the City's boundaries at the time

1 the annexation proceedings were instituted;

2 B. More than one-eighth (1/8) of the aggregate external boundaries of the
3 area are contiguous to the City;

4 C. The territory proposed to be annexed is not included within the boundaries
5 of another incorporated city or within the boundaries of any unincorporated town as those
6 boundaries existed as of July 1, 1983;

7 D. The City is eligible to annex the described territory because the landowner
8 has filed with the City a letter of nonobjection in lieu of an annexation petition.

9 SECTION 3: The City will provide police protection through the Las Vegas
10 Metropolitan Police Department, fire protection, street maintenance, and library services
11 immediately upon annexation. Garbage collection by the company franchised by the City will also
12 be provided immediately. The City sanitary sewer system will serve the proposed annexation area.
13 Any connection to or extension of this sewer line to serve the annexation area shall be at the
14 expense of the landowners. Other services, such as participation in the City's recreational
15 programs, special education classes and programs, public works planning, building inspections, and
16 other City services will also be available immediately. Utilities such as gas, electricity, telephone,
17 and water are provided by private utility companies and other services to the area will not be
18 affected by annexation. Street paving, curbs and gutters, sidewalks and street lights which are not
19 in place at the time of annexation will be installed in the presently developed areas upon the request
20 of the property owners and at their expense by means of special assessment districts. Such
21 improvements will be extended into the undeveloped areas as development takes place and the
22 need therefor arises, and will be located according to the needs of the area at that time. Such
23 installations will also be made at the expense of the property owners, either by means of special
24 assessment districts or as prerequisites to the approval of subdivision plats, building permits or
25 other land use or development applications.

1 SECTION 4: The annexation of the described territory shall become effective
2 on the 23rd day of June, 2016, and on that date the City will have the funds appropriated in
3 sufficient amount to finance the extension into the described territory of police protection, fire
4 protection, street maintenance, street sweeping, and street lighting maintenance.

5 SECTION 5: The described territory, together with the inhabitants and property
6 thereof, shall, from and after the 23rd day of June, 2016, be subject to all debts, laws, ordinances
7 and regulations in force in the City and shall be entitled to the same privileges and benefits as other
8 parts of the City, and shall be subject to municipal taxes levied by the City.

9 SECTION 6: The City Engineer is hereby instructed to cause to be prepared an
10 accurate map or plat of the described territory and to record the map or plat, together with a
11 certified copy of this ordinance, in the office of the County Recorder of Clark County, Nevada,
12 which recording shall be done prior to the 23rd day of June, 2016.

13 SECTION 7: The described territory, which previously has been zoned R-E
14 (County of Clark classification), is hereby classified as U (City of Las Vegas classification), which
15 is deemed to be the City equivalent of the County classification.

16 SECTION 8: If any section, subsection, subdivision, paragraph, sentence, clause
17 or phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or
18 invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the
19 validity or effectiveness of the remaining portions of this ordinance or any part thereof. The City
20 Council of the City of Las Vegas hereby declares that it would have passed each section,
21 subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that
22 any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be
23 declared unconstitutional, invalid or ineffective.

24 SECTION 9: All ordinances or parts of ordinances or sections, subsections,
25 phrases, sentences, clauses or paragraphs contained in the Municipal Code of the City of Las

1 Vegas, Nevada, 1983 Edition, in conflict herewith are hereby repealed.

Dear Ms. Marrs-Smith:

The City of Las Vegas is pursuing the annexation of public lands located throughout the northwest portion of the City in an area bounded by Shaumber Road on the west, CC-215 on the north, Durango Drive on the east, and Alexander Road on the south. The territory is comprised of approximately 964 total acres of land. We have enclosed a site map of these public lands for your convenience.

The extension of the city limits to the west is imperative to the future growth and development of the city. Being effectively landlocked to the east, south, and north, this annexation will provide the sole opportunity for the expansion of the city and its urban services in support of a growing population.

Please accept this request for a letter stating that the BLM does not object to the annexation.

If you have any questions or would like additional information, please call me at (702) 229-2127. Thank you for your assistance in this matter.

Sincerely,

Thomas A. Perrigo, AICP
Director

Dear Mr. Perrigo:

This is in response to your September 1, 2015 request concerning a proposal to annex certain lands into the City of Las Vegas. The proposed annexation would include portions of public lands administered by the Bureau of Land Management (BLM). We have reviewed the proposed annex parcels and determine that portions of the public lands identified are in-fact administered by the BLM; however the proposed parcels also contain patented lands. For those parcels that are under BLM jurisdiction, we do not object to their annexation into the City of Las Vegas.

The Federal Land Policy and Management Act of 1976 (FLPMA) directs BLM to coordinate management activities on the public lands with the land use planning and management activities of local governments. However, this coordination must be to the extent practical consistent with the purposes of FLPMA and with Federal laws governing the administration of the public lands. In the event the City of Las Vegas would attempt to make use or authorize uses contrary to the management needs of the United States, the local law or ordinance would be preempted.

If you have any questions or need additional information, please contact Vanessa Hice at 702-515-5088 or at the address above.

Sincerely,

Gayle Marrs-Smith
