RE: 1990 Rainbow

Dear Mr Gumarang :

Please accept this letter as our request for a variance for parking on the above referenced site.

Check City believes this to be another service for their existing customers. Below is the parking calculation for the previous variance. With the new requirement of calculating the parking at one space per 175 square feet (3,060 SF ÷ 175 SF = 18) an additional 5 spaces is required.

Parking Requirement							
Use	Gross Floor Area or Number of Units	Required			Provided		Compliance
		Parking Ratio	Parking		Parking		
			Regular	Handi-capped	Regular	Handi-capped	
Restaurant, with Service Bar	1,485 SF	1:50 SF Public Area	30				
	1,515 SF	1:200 SF Non-Public	8				
Financial Institution, Specified	3,060 SF	1:250 SF	13				
Dry Cleaners	1,000 SF	1:250 SF	4				
Nail Salon	8 stations	2 per station	16

This is an existing building and the size and shape of the property will not allow for additional parking spaces. Check City is already providing this service in Clark County and has found no increase in demand for their parking. Because this is a service for existing customers, additional parking will not be necessary. Thank you for your consideration.

Yours truly,

Subject: FW: Cash City Jewelry Store Class III

Lucy,

The following are corrections of the three sites for the SUP's and Variances based on your justification letter regarding the size area of each locations.

1990 N. Rainbow Blvd

Based on the information you provided on the for the of the existing Financial Institution, Specified area of 3,040 SF. It has been corrected and been noted on the staff report that the actual square footage on that suite is 3,240 SF. The information has been retrieved from the assessor's office on the Building Sketch they have online and the building area for the entire site is 12,210 SF.

1532 N. Jones Blvd

The correct area information for this site is 2,400 SF. A certificate of occupancy revealed that the area of this suite is 2400 SF. Also, there was a rebuild permit from the fire damage in 2006 indicated the remaining building to be 4,033 SF. Hence a total of 6,433 SF for the entire site.

2475 S. Jones Blvd

A condition is added to the Variance (VAR-37297) to revise the site plan submitted with this application will be made prior to the application of a business license for Jewelry Store, Class III. The site plan you have submitted is depicting two drive entrances on the north end and the south end of the property, whereas on the existing site currently has one driveway from Jones Boulevard and it is on the north end of the property. The revised site plan shall indicate as it exist on site. Also, a site visit was made to this site on 2/2/10 and has revealed that there are 85 parking spaces on site, as opposed to, the justification letter indicating 75 parking spaces. On the staff report will indicate that the site is currently providing 85 parking spaces.

If you have any questions regarding our findings pertaining to the area of the building in connection the parking requirements, please feel free to contact one of us.

Thanks,

Romeo Gumarang
