Las Vegas Planning & Development
731 S. Fourth Street
Las Vegas, NV 89101

RE: Justification Letter for 10711 York Manor Street

The curve of York Manor Street at lot 81 reduces the lot depth to only 71'. With the 18' front setback and 15' rear setback required in the Providence (Cliffs Edge) guidelines, the only plan that will fit on lot 81 is our 1930 plan, and only with a 5' driveway.

Having only one lot in the community with a 5' driveway would be more of an eyesore than having one lot with a 13' rear setback. This lot already has a 4' landscape buffer behind it on Dorrell Avenue. Reducing the rear setback on lot 81 will allow the possibility of two of our four plans to be built, both with 18' driveways to match the rest of the community.

Ryland Homes is requesting that the rear yard setback for lot 81, 10711 York Manor Street, APN #126-24-112-081, be reduced to 13'.

This request has been approved by the Providence Design Review Committee and is attached for your use.

Sincerely,

Jeff Stevens
Land Development Manager

**RE: Providence Master Plan Community
Plotting Variance Request
POD: 211- Windimere
LOT: 81**

Dear Jeffrey:

The Providence Design Review Committee (DRC) is in receipt of Ryland's letter dated January 4, 2010, requesting a waiver to allow the rear yard setback to be reduced to 13' on lot 81 of POD 211 - Windimere.

The DRC agrees to grant this waiver.

If additional deviations are required they must be submitted to the DRC for review and approval. Should you have any questions, please do not hesitate to contact our office.

Unless specifically waived, all elements within Providence must comply with the terms and conditions of the Design Guidelines and other governing documents. The waiver granted herein applies only to the specific items as noted above, and does not constitute an approval of every specific element of the submittal, nor does it constitute a waiver of Providence's rights to enforce compliance with the Design Guidelines and other governing documents. Should an element of the submittal not comply with the Design Guidelines or other governing documents, and is not specifically waived, Providence reserves all of its rights with respect to enforcement of the terms and conditions of such documents as to the non-conforming element. All non-conforming elements must be specifically noted and a specific waiver must be submitted with respect thereto.

Sincerely,
Providence Design Review Committee
