Re: Vacation 33863, Justification Letter

Ladies and gentleman:

Please accept this letter as the requisite justification letter to accompany the application for extension of time of Canyon Ridge Christian Church, Inc. to vacate the Bronco Street alignment south of La Madre Way.

We have submitted a drainage study and revisionary map to the Planning department to satisfy the conditions set forth to approve the vacation. We received notice that the map was denied subject to changes and corrections. I am unable to complete the new conditions by the expiration time line and would like to request an extension of time to allow for zoning designations and a possible General Plan Amendment to be submitted.

Should you have any questions or require any further information or documentation, please advise me at your convenience. Thank you for your help and consideration.

Sincerely,

Jose Cruz

RE: VAC-33863 - VACATION
CITY COUNCIL MEETING OF JUNE 17, 2009

Dear Mr. Cruz:

The City Council at a regular meeting held June 17, 2009 APPROVED the request to Vacate the Bronco Street alignment south of La Madre Way generally located on the southwest corner of La Madre Way and Bronco Street. The Notice of Final Action was filed with the Las Vegas City Clerk on June 18, 2009. This approval is subject to:

Planning & Development

1. All development shall be in conformance with code requirements and design standards of all City Departments.
2. The Order of Vacation shall not be recorded until all of the conditions of approval have been met provided, however, that that conditions requiring modification of public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right of way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain.
3. If the Order of Vacation is not recorded within one (1) year after approval by the City of Las Vegas or an Extension of Time is not granted by the Planning Director, then approval will terminate and a new petition must be submitted.
4. The limits of this Petition of Vacation shall be the entire width of Bronco Street, including the spandrel areas south of La Madre Way.

7. All existing public improvements, if any, adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense prior to the recordation of the Order of Vacation.
