Re: Justification Letter: Extension of Time Request for VAR-27954
Downtown (DN-1) Electrical Substation
(APN- 139-33-202-007)

To Whom It May Concern:

NV Energy respectfully requests an Extension of Time for VAR-27954 which expires on July 11, 2010. Given the state of the economy and lack of growth throughout the Las Vegas valley, many of our projects are being deferred to later In-Service Dates, requiring Extension of Time applications with all jurisdictions. Lack of sustainable growth has delayed the need for this new electrical substation installation. NV Energy requests an extension of time for a period of five (5) years, which would extend the commence deadline from July 11, 2010 to July 11, 2015.

Should you have any questions, please contact me at 402-2620.
