3RD AMENDMENT PLAT OF A PORTION OF BRIGHTON

Attached is a redlined drawing delineating comments from Survey review. THE REDLINED PRINT MUST BE RETURNED TO SURVEY ALONG WITH A CORRECTED DRAWING FOR APPROVAL.

PLEASE NOTE: These comments are for Survey review only. Please do not submit the mylar to Land Development, Public Works Department, until the map is also in compliance with the comments from Public Works noting the conditions of approval.

COMMENTS:

391768 SURVEY

The map appears to be technically correct as submitted.

Since this map does not relinquish or extinguish in any way the easements granted on the original map on the sidelines and so forth, you may want to include language in the certificate of easement recipients which states that the original easements are being relinquished in lieu of the easements granted hereon, or something to that effect.

I believe City of Henderson has specific language for this kind of thing that you may want to examine.
