**** STAFF REPORT ******PROJECT DESCRIPTION**

The original Special Use Permit (SUP-27082) for a Secondhand Dealer Use at 420 East Sahara Avenue application required a one-year review. Since the applicant had not met all the conditions of approval at the time Required Review (RQR-34160) was considered, another one-year administrative review was again conditioned. A Review of Condition (ROC-35500) was approved by City Council on September 16, 2009 that modified Condition Five (5) of SUP-27082 resulting in a modified parking configuration. This condition is now being met and therefore, the Planning & Development Department is administratively approving the review, with conditions.

ISSUES

- As a condition of approval for a previously approved Required Review (RQR-34160), a one-year administrative review was required and this application satisfies the requirement.

ANALYSIS

This is the second Required Review since the initial approval of the Special Use Permit (SUP-27082) for a Secondhand Dealership at 420 East Sahara Avenue. The existing business purchases and sells antique jewelry, coins, flatware and other precious metals. A research of the business license history reveals the jewelry store has a valid license for the intended use with no Metro incidents noted. Since the original approval of the Special Use Permit, there has been little to no tangible redevelopment in the surrounding area.

Although the use is located within the Beverly Green/Southridge Neighborhood Plan, The Gaming enterprise Overlay District and the Airport Overlay District none of these specifically address the Secondhand Dealership Use and thus do not apply to this application.

FINDINGS

The subject site is located in a C-2 (General Commercial) zoning district that permits Secondhand Dealerships. The area surrounding the business is in good condition. During a routine site inspection Staff determined that the site was in conformance with all conditions set forth in SUP-27082 and modified in ROC-35500. Staff is not recommending any additional reviews as the current site complies with all conditions of approval, therefore, staff supports this application and is administratively approving the review with conditions.
