**RE: VAC-39142 - VACATION
PLANNING COMMISSION MEETING OF SEPTEMBER 23, 2010**

Dear Mr. Swapp:

Your Petition to Vacate the sewer and drainage easements generally located at the southwest corner of Iron Mountain Road and Jones Boulevard, Ward 6 (Ross), was considered by the Planning Commission on September 23, 2010.

The Planning Commission voted to **APPROVE** your request, subject to the following:

1. The limits of this Petition of Vacation shall be all of the City of Las Vegas' interest in the recorded plat of Stratton 35, Book 137 Page 54, including but not limited to Public Drainage Easements, Public Sewer Easements, and Public Access Easements located within all private streets and common lots, excluding those areas overlapping the private streets and common elements of the Amended Plat of Stratton 35 [FMP-38588]. This action will vacate only City of Las Vegas interests, and does not affect the interests any other public utility company may have.
2. Reservation of easements for the facilities of the various utility companies together with reasonable ingress thereto and egress there from shall be provided if required.
3. All development shall be in conformance with code requirements and design standards of all City Departments.
4. The Order of Vacation shall not be recorded until all of the conditions of approval have been met provided, however, that conditions requiring modification of public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain dedicated and available for public use. Also, if applicable and where needed, public easement corridors and sight visibility or other easements that would/should cross any right-of-way or easement being vacated must be retained.

Dear Ms. Wulff,

Nevada Power Company d/b/a NV Energy has **no objection** to the City of Las Vegas vacating their rights to the public utility easements as described in VAC-39142.

Nevada Power Company d/b/a NV Energy's Land Services Director signed the amended Final Map of Stratton 35 on August 9, 2010, that contained the language to relinquish the easements granted to the utilities in the owner's dedication of Stratton 35, as shown by map thereof on file in Book 137, Page 54 of Plats, in favor of the new easements granted on the amended final map.

It is the intent and understanding of NV Energy that this Vacation shall not reduce our rights to any other existing easements we have on this site or in the area.

Development Coordination

To: Department of Planning and Development
From: Bart Anderson, Manager, Development Coordination, Department of Public Works *BA*

Date: August 26, 2010
Re: **VAC-39142** William Lyon Homes SWC Iron Mountain Rd. & Jones Blvd.
Request for a Petition of Vacation of CLV sewer easements and public utility easements

COMMENTS:

This Vacation application proposes to vacate the City of Las Vegas sewer and existing public utility easements. As no right-of-way is proposed to be vacated, and thus no franchise rights are involved, it is not necessary to send this VAC request to the utility companies and franchise holders, nor wait for their responses. Since only City easements are involved; any utility company interests will need to be addressed with each respective utility company and will not be affected by the City vacating its interest.

CONDITIONS OF APPROVAL:

1. The limits of this Petition of Vacation shall be all of the City of Las Vegas' interest in the recorded plat of Stratton 35, Book 137 Page 54, including but not limited to Public Drainage Easements, Public Sewer Easements, and Public Access Easements located within all private streets and common lots, excluding those areas overlapping the private streets and common elements of the Amended Plat of Stratton 35 [FMP-38588]. This action will vacate only City of Las Vegas interests, and does not affect the interests any other public utility company may have.
2. The Order of Vacation shall not be recorded until all of the conditions of approval have been met provided, however, that conditions requiring modification of public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain dedicated and available for public use. Also, if applicable and where needed, public easement corridors and sight visibility or other easements that would/should cross any right-of-way or easement being vacated must be retained.

RE: FMP-38588 - STRATTON 35 AMENDED

Dear Mr. Swapp:

Your request for Final Map Technical Review was completed by the departments of Planning and Development and Public Works on July 2, 2010. The departments have administratively **APPROVED** your request, subject to the conditions noted below, which shall be incorporated into the Final Map Mylar when submitted for signature by the City.

Planning and Development

1. The Original Final Map Mylar shall be in conformance with the approved Tentative Map – STRATTON 35 (TMP-12092) and all other land use entitlements associated with Final Map – STRATTON 35 (FMP-15912).
2. On the cover sheet, insert the file number "FMP-38588" above the signature block in the lower right-hand corner.
3. The "CERTIFICATE OF DIRECTOR OF PLANNING AND DEVELOPMENT APPROVAL" should read as follows:

I certify that this final map substantially complies with the tentative map and any approved alterations thereto; that the map complies with applicable statutory and ordinance provisions; that all conditions imposed upon the final map have been met; and that the map was approved and the parcels herein were accepted for dedication by the Director of Planning and Development on the ____ day of _____, 200__.

Public Works

4. Coordinate with the Collection System Planning Section of the Department of Public Works for an Oversizing Agreement for sewer line construction in Jones Boulevard prior to the recordation of this Map.
5. No permanent structures, landscape trees, or shrubs with potential growth of three feet or greater in height shall be permitted within the sewer easement located in common element D (between lots 4 & 5). A note to this affect shall be placed on this Map.
6. Submit a Vacation application for all existing City of Las Vegas easements that are no longer needed due to amendments shown on this map. The Order of Vacation must be recorded concurrently with this Map. Relocate the City Engineer's signature block such that it does not appear to be an approval of Vacating City of Las Vegas Easements, as such easements can only be eliminated through the Vacation process, not by Amended Map.
7. Dimensions and information presented on the currently approved civil improvement plans should match this amended Final Map. Revise drawings as necessary.

If you have any questions concerning this matter, please contact me at (702) 229-6301.

Sincerely,

Peter Lowenstein, AICP

Upon Grantor's written request (whether such request is made before, at or after the recordation of the Deed), Grantee shall execute any documents and take any other actions that are reasonably necessary in order to permit Grantor to terminate or transfer Grantor's storm water pollution prevention plans and any related permits. From and after the recordation of the Deed, Grantee and/or Grantee's successors and assigns shall assume (as applicable), and shall be conclusively deemed to have assumed, sole responsibility for complying with all dust control regulations (including, without limitation, obtaining all required dust control permits and paying all required dust control fees), complying with all storm water pollution prevention plan ("SWPPP") regulations and other construction and/or environmental related regulations which are imposed by any federal, state or local governmental entity or agency as pertaining to the Property (collectively, the "Dust Control, SWPPP and Other Regulations"). Subject to Seller's express representations and warranties set forth in paragraph 8(b)(ii)(A) of the Purchase Agreement (as defined below), to the fullest extent permitted by law, Grantee and each of Grantee's successors and assigns (other than any of Grantee's homebuyers who purchase a single subdivided lot (but not in a bulk sale of more than one (1) lot) with a completed house constructed thereon ("Grantee's Homebuyers")) shall indemnify, protect, defend (with counsel acceptable to Grantor in Grantor's sole discretion) and hold harmless Grantor for, from and against any suits, actions, claims, proceedings, fines, penalties, losses, damages, cost or expenses (including, without limitation, any court costs or reasonable attorneys' fees) arising out of or relating to (i) any violation or infraction of any federal, state or local Dust Control, SWPPP or Other Regulations (whether occurring before or after the recordation of the Deed), including, but not limited to, any defects in Grantor's BMP, and/or (ii) any failure of Grantee to fully perform any of its obligations under this paragraph.

2. Release and Indemnity. Except for any representations, warranties or covenants of Grantor expressly set forth in that certain Purchase and Sale Agreement dated December 22, 2009, by and between Grantor, as the seller, and Grantee as the buyer (as amended from time to

time, the "Purchase Agreement"), Grantee, for itself and each of its successors and assigns (including, but not limited to, each of Grantee's Homebuyers), hereby releases Grantor and each of Grantor's affiliates from any and all claims, suits, demands, liabilities, costs, expenses and actions (whether arising before or after the recordation of the Deed) arising out of or relating to the Property or any portion thereof and/or any improvements constructed or installed thereon or for the benefit thereof. To the fullest extent permitted by law, Grantee and each of Grantee's successors and assigns (other than any of Grantee's Homebuyers) with a completed house constructed thereon) shall indemnify, defend (with counsel acceptable to Grantor in Grantor's sole discretion), and hold harmless Grantor and each of Grantor's affiliates for, from and against any claims, suits, demands, liabilities, costs, expenses and actions (including, without limitation, all court costs and attorney's fees) by or filed on behalf of any of Grantee's successors and assigns (including, without limitation, any of Grantee's Homebuyers or any homeowner's association acquiring title to any portion of the Property)) arising out of or relating to the Property or any portion thereof and/or any improvements constructed or installed thereon or for the benefit thereof (except for any representations, warranties or covenants of Grantor expressly set forth in the Purchase Agreement).

3. Enforcement. Only Grantor (or an affiliate of Grantor) shall have the right to enforce these Covenants Running with the Land in any manner permitted at law or in equity, including, but not limited to, an action to obtain specific performance and/or an injunction to compel compliance with these Covenants Running with the Land. The failure to take any enforcement action with respect to a violation of these Covenants Running with the Land shall not constitute or be deemed to be a waiver of the right to enforce these Covenants Running with the Land in the future.
