Re: Review of Condition/Extension of Time, Justification Letter

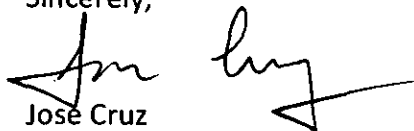

Ladies and gentleman:

Please accept this letter as the Justification Letter to accompany the Application/Petition Form for a Review of Condition or Extension of Time for Canyon Ridge Christian Church, Inc. We are requesting approval for an additional 2 year extension period for the modular building at 6200 W Lone Mountain Road. We would greatly appreciate your consideration for this extension as the modular building is still needed by the church to meet the needs of its patrons.

This request for extension of time is connected to the approved review of condition ROC-29817 approved at the City Council Meeting held on 10/1/2008. We have been using the modular building as ministry work space until we can develop the site. We have invested in the appearance of the modular building to ensure that it is aesthetically pleasing to the surroundings (see photos attached). The church owns the building and the building is set on permanent concrete pier foundations.

Canyon Ridge Church is appreciative of all of the efforts of the planning department with regards to this matter. Should you have any questions or require any further information or documentation, please contact me at 702-217-4499 at your earliest convenience. Thank you for your help and consideration.

Sincerely,

Jose Cruz
