CHARLESTON NEIGHBORHOOD PRESERVATION

"Doing things today that will improve tomorrow"

Phone/Fax: 702-877-2438

TO: CLV Planning Commission Chair TRUESELL, ViceChair ELLSWORTH, GOYNES, EVANS,
TROWBRIDGE, QUINN, FLANGAS!
FROM: CNP
DATE: 26 August, 2010
RE: selected AGENDA items

#21-SUP-38607—APPROVAL is a wise vote in our studied opinion.

#29-SUP-38866—DENIAL must be the wise vote. We are alarmed about waivers which trample the written protections that were vital when established but today are imperatively essential and becoming more so as our economy declines along with (more frequently), the character of human nature.

Is this characteristic of the nature of elected and selected representatives of constituents for which these ordinances were made to protect, also on the descent? A 300 ft waiver in school distance?! A 400 ft. waiver in residential distance?! A 770 ft. waiver in 'another massage business' ?!

May DENIAL be sought also by our esteemed CLV councilpersons.

#31-SDR-38854—DENIAL is requested by this neighborhood which looks to the enhancement of all neighborhoods, the intellectual growth of residents, family and neighborhood bonding which this "Children's Discovery Museum" provides in the CURRENT location. A reason to gather neighborhood families and travel to another area of the city w/o parking stress and fees and time limits allowing even parents with their children to have optimum learning experiences w/o 'hurry-up', 'that's enough meter time', and other learning deterrents.

47 parking spaces max for the 'New' city hall plans, with the question about that ignored by council, portends an atmosphere for residents of crowd-out, frustration, eagerness to leave, and not eager to return to such a milieu as the SYMPHONY area with a parent and child very casual dress play or birthday group.

If "we" are at a spot of 'do the best with what we've got', tourists will be served by your APPROVAL (with raise in admission) of SDR-38854, residents will be served by your DENIAL.

Thank you for the attentive care and nurture of our remaining residents!

June Ingram

JUSTIFICATION LETTER FOR 9061 W. SAHARA AVE. #104

I intend to use this space for a massage establishment. It will be Las Vegas' first and only massage studio to provide therapeutic services for all ages. I am a nationally certified and licensed therapist who wants to own a private practice. A few of my services include infant massage therapy, sport massage for kids and adults, foot and scalp massage, injury massage, as well as small spa parties for kids and adults. I want to bring awareness to the valley the importance of infant and children massage, as well as adults.

The 750 square foot suite perfectly suits my needs for my practice with an office, a treatment room, a waiting area, and a small reception area. I understand that it is located close to a residential area, so it would be greatly appreciated if that may be waived. I am also aware that I will need two additional waivers. I am the sole therapist in my practice, just like a doctor/dentist who runs their own practice. I will have on-call therapists to help as needed, depending on my books for the day. My hours of operation will be 8am-6pm Monday through Thursday, 8am-8pm Friday and Saturday, and 9am-3pm on Sunday.

My massage practice will be a phenomenal asset to the Vegas valley. It focuses on the whole family, and not just adults.

In conclusion to this justification letter, I have described the nature of my intended project and its use.
