Subject: I Oppose Zoning Change for SUP-39441

I just noticed a spelling error in the earlier attachment sent regarding SUP-39441. Please disregard the earlier email and use the attachment attached to this email.

Angel Park Zoning Change

SUP-39440

I strongly oppose changes to zoning requirements for a Liquor establishment only 141 feet away from the park, Angel Park, rather than the current required zoning of 1,500 feet.

Please provide the above attached statement regarding a zoning change to all who approve or reject a zoning change.

Thank you

Request to Change Zoning from 1,500 feet to only 141 feet

SUP-39441

I strongly oppose changes to zoning requirements for a Liquor Store establishment only 141 feet away from the park, Angel Park, rather than the current required zoning of 1,500 feet. Angel Park has been recognized as the best park many times as it is a small park where many go throughout the day from before 5 a.m. until way past dark. You feel safe there now and feel nature there as you sit and look out to the beautiful mountains. We use to be able to see more of the mountains but with earlier zone changes for the current project the view has diminished. Angel Park is peaceful and we all need a place where we can feel peace in these trouble times. Many families gather there for birthday parties for their children, special block parties to unite with each other and just have time to visit, walk their dogs, watch their children play on the toys, enjoy a game of tennis or volleyball.

141 feet vs. 1500 feet!! I want the protection of 1500 feet. Think about it. Would you want only 10% car insurance, 10% house insurance? Why not? Because if there was a bad accident or your house burned down, you probably would not be able to pay the difference between 10% and the 90% you would need to pay.

A football field is 100 yards or 300 feet.

141 feet is not even a half football field.

141 feet is less protection than 10% of the current zoning requirement of 1500 feet for parks. Less than 10% protection! And we are talking now not about houses or cars but about people.

1500 feet would be the length of 5 football fields as protection.

That is the protection we need for the park and people who come from all around now to enjoy this park and for the future of this park.

A simple visual shows how little protection the park would have if the current zoning was changed.

The scale is one underline = 30 feet I rounded 141 feet to 150 feet for this example

150 feet -----

1500 feet -----

As you can see, 141 feet is really no protection!!!

The Liquor store can relocate to many places that would meet the current zoning requirement.

We cannot move Angel Park!

Finally, Angel Park was here first! The developers knew when they bought the property a few years ago that there was a park here. They knew and know the zoning is 1500 feet. They need to abide by the current zoning and establish businesses that meet the zoning requirement without change.

Please protect the parks and people.

Re: Special Use Permit with separation waivers for Ratskeller Liquor Establishment
(tavern/brewery) within Tivoli Village at Queensridge Parcel 138-32-601-003

Dear Sir/Madam;

Please consider this request to allow a Liquor Establishment (brewery) within a previously approved mixed use development (SUP-5853). The site is located within a 29 acre commercial and residential development located at the northeast corner of Alta Drive and Rampart Boulevard.

Ratskeller is a brewery that is uniquely located on a sub-grade level of a mixed use shopping area. It serves German food, beer and possibly liquors.

This establishment expects to have more alcohol sales than food sales and therefore should be considered a Liquor Establishment (tavern). The parking allocation for this restaurant is grandfathered into the project-wide parking agreement. Please reference VAR-10773 that approved 3,955 spaces where 4,961 would otherwise be required.

Please also refer to ordinance 6013 that permits an applicant to request a waiver for the 1500 foot minimum separation requirement between Liquor Establishment and protected uses when the proposed tavern is located in a mixed use district. This Use Permit request requires the application of ordinance 6013 in order for Ratskeller to operate on the same property as previously approved taverns within Tivoli Village. This request also requires the application of ordinance 6013 to allow this tavern a 0 foot separation between to the tavern located on Angel Park Golf Course that is the adjacent property. A third waiver is required to allow this tavern to be located approximately 141 feet from the boundary of a children's play ground located at Angel Park. This distance is measured property line to property line. The actual walking distance from the proposed tavern is more than 1500 feet and the pathway is encumbered by numerous other buildings, fences and drainage channels. There is not a direct route to drive from this establishment to the park.

If you have additional concerns please phone me at 598-1408.

Very truly yours,

Lora Dreja
