OR: ☐ see Meeting Attendance Sheet

Is this project intended to meet the City of Las Vegas Green Building Rebate Program? ☐ YES ☒ NO
If yes, please address how in the justification letter. Refer to <http://www.lasvegasnevada.gov/sustaininglasvegas> for more information on rebates and incentives offered by the City of Las Vegas.

The following Special Area/Master Plan(s)/Overlay District(s) apply to the project site: Airport Overlay (175 feet)

Meeting Notes:

1. Non-owner applicants must be a lessee, contract purchaser or optionee of the property. This is consistent with the requirements of Title 19.18 Applications and Procedures. Architectural, engineering and legal firms (among others) that do not fall within these categories may act as the representative only, not as the applicant.
2. All drawings shall be to scale.
3. A Variance is required for the 10-foot tall CMU wall, where 8 feet is the maximum allowed.
4. Proof of shared parking and shared trash receptacles in the form of a legal recorded document is required in addition to the lease agreement.
5. The indicated ADA access does not comply present ADA requirements.
6. A Variance is required to allow 32 spaces where 122 spaces are required.
7. C-1 is the current zoning of the subject parcels.
8. The Development standards for the City of Las Vegas are found in Title 19.
9. Provide 8, 24-inch box trees and four 5-gallon shrubs per each required tree in the landscape buffer along Charleston Boulevard.
10. Remapping is required to combine the lots.
11. Revise the Justification letter to request the Variance for wall height and the Variance for parking. Also to request an Exception if no trees are to be added to the landscape buffer along Charleston Boulevard.
12. New Elevation on side, may trigger issues with Fire Code.
13. Width on ADA access.
14. Wheel Stops Reg.

Should this project require a neighborhood meeting or if you choose to have one, please be aware of the following:

In order to use the City to mail the postcard notices for your neighborhood meeting, you must have all information to us no later than 15 days prior to the intended meeting date. Submitting the required information for the neighborhood meeting when making your application submittal is often best. Therefore, if you want the City to mail the notices for your neighborhood meeting, please ensure that we get all required information and that the request is made at least 15 days before you are scheduling the meeting, otherwise you must make other arrangements for getting the notices mailed.

-- Please return a copy of this form with the original Pre-Application Submittal Checklist --

****Complete Submittal Packets MUST be received by Planning staff no later than 2:00 PM of the Submittal Deadline Date, no exceptions****

Carman Burney

From: Steve Swanton
Sent: Wednesday, September 29, 2010 11:04 AM
To: Carman Burney
Cc: Steve Gebeke; Steve Swanton
Subject: SDR-39338

Revised plans have arrived for this item. After reviewing the plans, it has been determined that this item can be a Minor SDR and that the two accompanying variances (VAR-39335 and VAR-39337) can be refunded, since they will no longer be needed. Staff can also refund the notification and recordation fees for SDR-39338, as this will not be a public hearing item.

I have made the proper changes to the header and other info in Hansen for this case:

SDR-39338 - SITE DEVELOPMENT PLAN REVIEW - MINOR REVIEW - APPLICANT/OWNER: KELLY K. AND IWONA M. HULSEY - Request for a Minor Site Development Plan Review FOR THE ADDITION OF 2,436 SQUARE FEET OF GARDEN BANQUET AREA TO AN EXISTING 18,014 SQUARE-FOOT BANQUET FACILITY AND WEDDING CHAPEL on 1.28 acres at 4125 West Charleston Boulevard (APNs 162-06-510-023 and 024), C-1 (Limited Commercial) Zone, Ward 1 (Tarkanian).

Carman, I will have the revised plans and justification letter to you shortly.

Thanks.

Subject: **Jusification Letter**
Site Development Design Review and
Request for Variances
Rainbow Gardens Parcel 162-06-510-023 & 024

Request

We request a design review of our proposal to convert a portion of existing parking to landscaped garden to support wedding ceremonies and associated banquet operations. We propose to build a new façade at our southwest entrance door as an aesthetic improvement. We also propose to build a sunshade canopy in our new north garden to serve as shelter for various functions that may occur in this garden in connection with our banquet functions.

Variances

- We request a variance to allow a 10 foot high masonry fence (where 8 foot high fences or walls) are allowed to enclose the newly created front yard.
- We also request a variance to allow 38 onsite parking spaces where 88 are required. These onsite spaces are supplemented by 83 parking spaces on nearby property to the immediate south, that are secured by a joint access agreement. Thus 121 total parking spaces are available under this arrangement to bear the parking load driven by our occupancy. The two properties taken together call for 112 spaces when facilities on both properties are fully occupied. The combined count of available spaces is 123 (two of which are beyond 300 ft. from the applicant's entrances).
- Variances are not needed for landscaping or for offsite development.

Background

This existing facility has been in business for more than twenty years as a banquet facility. Mature landscaping is in need of renovation, and the expansion of our front garden will enhance our banquet capability as well as improve the general appearance of Charleston Boulevard.

Justification

Parking - Adequate parking is provided with all required accessible spaces on site and by ample shared parking that is established by lease with neighbors to the south within 300 feet of our doors. 121 spaces are available within the 300 foot limit under long established shared parking agreements. This project will reduce existing onsite parking by about 24 spaces and in effect shift a portion of our parking load to the leased parking lot immediately south, which has been used this way for many years under our existing agreements. All required accessible parking is provided onsite near our main entrance. The occupancy located on neighboring site to the south is a professional engineering office belonging to the

Justification Letter- 10/23/2010
Rainbow Gardens Parcel 162-06-510-023 & 024

landowner. The parking load there is small and never overlaps the weekend night parking load of our banquets.

When parking loads for the two properties are calculated, the total demand for spaces is 112 spaces, while 121 spaces will be available under our proposal. Banquets usually occur on Saturdays and Sundays in the afternoon and evening hours. There are a few banquets held on week nights. The engineering office operates Monday through Friday during daytime business hours ending at 5:00 pm. The calculated load of 23 spaces for the engineering office would almost never be needed when banquets are scheduled.

We are not proposing to increase our banquet dining room space. The expansion of the garden will function as an accessory that will provide an outdoor wedding ceremony location that serves in conjunction with to the indoor dining room. The same banquet party will use the outdoor and indoor facility. The size of the party will remain limited by the existing indoor dining facilities. Similarly, the overall parking load as it exists now (and has for years) will not be increased by this project.

Regular periodic observation of the overall parking facilities reveals that hours of operation do not over-commit the available parking spaces on the available joint use parking spaces. Also, fully occupied banquet operations have not imposed a load on any other neighboring parking facilities to the east, west, or north (of Charleston) properties.

Wall - The 10 foot high wall will not detract from the aesthetics of our intensely landscaped front as viewed from the north. It will help buffer our facility from the street noise coming from Charleston Blvd. We propose to make an attractive intensely landscaped strip in front of this fence to enhance our facilities appearance from neighboring areas to the north and from passing travelers on Charleston. The slightly taller wall will afford better privacy to the whole banquet facility. It will add to the overall appeal as viewed from the street and it will shield both sides against sound generated on the opposite side of the wall.

Summary

The parking facilities in joint use in this commercial zone are adequate, and could easily bear the load of the fully occupied businesses. We believe the high wall will benefit the public view as well as enhance the privacy of our garden. Landscaping planting will exceed the city minimum standards.
