GENERAL NOTES

1. Work described in the general documents includes the furnishing of all labor, materials or equipment specified or indicated on the drawings and contained in Contract Documents or reasonably inferred there from for the construction of a complete and usable facility or portions thereof.
2. Project will be constructed under a general construction contract.
3. The contractor is responsible for familiarizing himself with the contract documents.
4. The contractor shall verify all grades, levels, conditions and dimensions and shall make all necessary measurements at the job site. No extra charge will be allowed because of differences between actual measurements and the dimensions indicated on the drawings. Any difference noted shall be reported to the Construction Manager and Architect, via www.freshandeasydevelopment.com web site for consideration before proceeding with the Work.
5. The work under the Base Bid of the Contract/Proposal shall include all work indicated or specified within the Contract limit lines unless the work is specifically indicated as "Not in Contract", "By Owner", "By Others". No exceptions shall be made for proposals that exclude scopes of work that are defined in the contract documents.
6. The contractor is responsible for all work which may be necessary to provide and connect all water, fire line, electrical, and any other utility service to the equipment as outlined in the drawings and contract documents.
7. Immediately upon signing the Contract for Construction, the General Contractor shall sign (2) two complete sets of Drawings and Specification Manuals (for Specification Manual, signature to be applied on Table of Contents sheets thereof) as additional evidence of his understanding of the work called for with such Alternatives and Amendments as specifically mentioned in the Agreement. These shall become Contract Drawings and Contract documents. File one set with the Construction Manager and keep one set at the job site at all times during the progress of the work as the General Contractor's copy.
8. In case of a discrepancy between Contract Documents, the Architect is to be notified so a written clarification may be issued. If Architect is not notified prior to start of construction, the owner assumes that there are no discrepancies.
9. The work under the Base Bid of the Contract/Proposal shall include all work indicated or specified within the Contract limit lines unless the work is specifically indicated as "Not in Contract", "By Owner", or "By Others". Work "By Owner", "By Others", "By National Account/Direct Buy Vendors" shall be supervised, scheduled, and coordinated by general contractor. Work described in the Contract Documents includes the furnishing of all labor, materials, equipment, and services specified or indicated on the drawings and related documents, or reasonably inferred there from, for the construction of a complete and usable facility.
10. General Contractor shall cooperate fully with separate contractors so work on those contracts may be carried out smoothly, without interfering with or delaying work under this Contract. Coordinate the Work of this contract with work performed under separate contracts.

Drawings may consist of Civil, Landscape (where applicable), Architectural, Structural, Mechanical, Plumbing, Electrical, Refrigeration and EMS (including fire protection) as listed in the Index of Drawings, in the Project Manual and any addendum.
2. The Drawings show the materials to be used and the form, fabrication and assembly. In all cases, measured dimensions taken at the project site shall take precedence over scaled dimensions.

RE: SUP-23111 - SPECIAL USE PERMIT
El Capitan Way and Durango Drive (APN 125-17-611-001)

Dear Mr. Peterson:

Our records indicate the above referenced action will be scheduled for the **November 3, 2010** City Council meeting, at which time the Council may deem the use be discontinued.

We need two (2) 24" x 36" site plans, two (2) 8½" x 11" site plans, and two (2) 8½" x 11" elevations depicting the site. The submitted plans must show the **RETAIL ESTABLISHMENT WITH ACCESSORY PACKAGE LIQUOR** elevation plans and floor plans with full dimensional information as it currently exists. In addition to the plans required, we also need the enclosed Statement of Financial Interest form, current deed, and application completed and notarized. Please come to our offices at 731 South Fourth Street no later than **September 18, 2010** to pay the application fee of \$300.00, notification fee of \$500.00, and submit the required plans, State of Financial Interest Form and application. Failure to submit the above mentioned items **may** result in immediate discontinuance of the Special Use Permit for this site.

If you have any questions, please feel free to contact me at (702) 229-6301.

Sincerely,

Carman L. Burney, Agenda Technician
