RE: SDR-39584 - MINOR SITE DEVELOPMENT PLAN REVIEW ADMINISTRATIVE CYCLE - OCTOBER 2010

Dear Mr. Jacoby:

Your request for a Minor Amendment to a previously approved Rezoning (Z-0018-97) FOR A 592 SQUARE-FOOT STORAGE BUILDING AND PARKING LOT ADDITION at 1701 South Torrey Pines Drive (APN 163-02-701-001), PD (Planned Development) Zone, Ward 1 (Tarkanian), has been considered administratively by the Planning and Development Department staff.

The Planning and Development Department Staff has administratively **APPROVED** your request subject to the following:

Planning and Development

1. Conformance to the Conditions of Approval for Rezoning (Z-0018-97) shall be required, if approved
2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the storage building or a final inspection has been approved for the parking lot. An Extension of Time may be filed for consideration by the City of Las Vegas.
3. All development shall be in conformance with the site plan date stamped 10/14/10, landscape plan date stamped 10/14/10, and building elevations, date stamped 09/13/10, except as amended by conditions herein.
4. All necessary building permits shall be obtained in compliance with Title 19 and all codes as required by the Building and Safety Department.

5. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.
6. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time as Final Map submittal. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.
7. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.
8. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.
9. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.
10. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

11. Remove the sidewalk ramp at the corner of Torrey Pines Drive and Oakey Boulevard and replace it per Uniform Standard Drawing #235 concurrent with onsite development. The existing "pan" style driveways may remain.
12. Comply with all applicable previous conditions of approval for Z-0018-97, The Torrey Pines Care Center Master Plan and all other site-related actions.

**** STAFF REPORT ******PROJECT DESCRIPTION**

This request is for a Minor Amendment to a previously approved Concept Plan Map under Rezoning (Z-0018-97) that approved a proposed 75,713 square-foot basement and one-story addition to a an existing 37,516 square-foot Convalescent Care Facility at 1701 South Torrey Pines Drive. The request is for a proposed 592 square-foot storage building with parking lot addition. The proposed storage building and parking lot addition are compatible with adjacent development and development in the area and meets all requirements of Title 19 and the previous Rezoning, except as amended herein; therefore, staff is administratively approving this request with conditions.

BACKGROUND INFORMATION

<i>Related Relevant City Actions by P&D, Fire, Bldg., etc</i>	
1969	The Clark County approved a Special Use Permit (UC-10-69) to permit the Torrey Pines Care Center on this site. The project was constructed after annexation into the City of Las Vegas.
05/27/97	The City Council approved a request for a Rezoning (Z-0018-97) on property located at 1701 South Torrey Pines Drive, from R-E (Residence Estates) to P-D (Planned Development). The proposed use was for a 75,713 square foot basement and one story addition to a 36,400 square-foot one-story convalescent care facility/hospital. The Planning Commission and staff recommended approval.

<i>Most Recent Change of Ownership</i>	
10/22/98	A deed was recorded for a change in ownership.

<i>Related Building Permits/Business Licenses</i>	
11/12/73	A building permit (#13877) was issued for a Tenant Improvement interior remodel at 1701 South Torrey Pines Drive. The project was completed on 01/09/74.
05/13/77	A building permit (#2708) was issued for an addition to an existing building at 1701 South Torrey Pines Drive. The project was completed on 01/04/79.
07/30/97	A building permit (#97015643) was issued for a Tenant Improvement interior remodel at 1701 South Torrey Pines Drive. The project was completed on 11/14/97.

ANALYSIS

The subject site is located within the Torrey Pines Care Center Master Plan. The purpose of the Development Standards and Guidelines for this PD (Planned Development) plan is to provide the parameters of development for the Torrey Pines Care Center. The site is adjacent to an existing off-street bike trail and an existing on-street bike trail; both are Bike Paths and part of the Trails Element of the General Plan.

The existing Convalescent Care Facility was approved under Rezoning (Z-0018-97), which created the Torrey Pines Care Center Master Plan. The original approval allowed the proposed 75,713 square-foot basement and one-story addition expansion to a 37,516 square-foot existing Convalescent Care Facility. The proposed expansion under Z-0018-97 was not constructed, as evidenced by the undeveloped area of the property where the proposed storage building and parking lot addition are to be located.

The applicant is proposing a 592 square-foot storage building located at the rear of the existing Convalescent Care Facility. The exterior finish of the storage building is stucco and will be painted to be aesthetically compatible with the existing building. The interior of the storage building will have an office for one supervisor and a storage room to store accessories, lights, beds, plumbing and mechanical equipment.

The parking lot was expanded and is located at the rear of the existing building and adjacent to the proposed storage building. The parking lot expansion provides 23 additional parking spaces on site. This brings the site into conformance with the current parking requirement for the use, which providing 67 parking spaces, where 65 parking spaces are required for the Convalescent Care Facility use.

The proposed landscaping depicts the landscape islands with the required 24-inch box trees and the minimum of four five-gallon shrubs for every required tree. The landscape buffer of the existing parking lot on the southwest corner of the property contains four 24-inch box trees with 16 five-gallon shrubs. Proposed landscaping within the south landscape buffer will be limited to the area adjacent to the existing parking lot and not along the entire southern property line, where the site remains undeveloped. The landscape buffer along Torrey Pines Drive contains 16, 24-inch box trees where 14 trees are required. Pursuant to 19.12, shrubs are required in all buffer areas, with a minimum of four five-gallon shrubs required for every required tree. The total trees required within the landscape buffer and parking islands are 25 trees. As a result 100 five-gallon shrubs are required. Currently, the landscaping plan indicates 61 five-gallon shrubs within the

parking islands and landscape buffer combined. A condition of approval has been added that the landscape plan shall be revised to provide 31 additional five-gallon shrubs within the landscape buffer and parking islands. The proposed storage building and parking lot addition are compatible with adjacent development and development in the area; therefore, staff is administratively approving this request with conditions.

FINDINGS (SDR-39584)

In order to approve a Site Development Plan application, per Title 19.18.050 the Planning Commission and/or City Council must affirm the following:

- 1. The proposed development is compatible with adjacent development and development in the area;**

The proposed development is compatible with adjacent development and development in the area. The proposed storage building and the parking lot addition are in accordance with Title 19 requirements.

- 2. The proposed development is consistent with the General Plan, this Title, the Design Standards Manual, the Landscape, Wall and Buffer Standards, and other duly-adopted city plans, policies and standards;**

The proposed development is consistent with Title 19 and the Torrey Pines Care Center Master Plan.

- 3. Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

Adequate site access is provided from Torrey Pines Drive. Site access and circulation will not negatively impact adjacent roadways or neighborhood traffic.

- 4. Building and landscape materials are appropriate for the area and for the City;**

The proposed building and landscape materials are appropriate for the area and for the City.

- 5. Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

The proposed building elevations are appropriate and are harmonious and compatible with the surrounding area.

The following Special Area/Master Plan(s)/Overlay District(s) apply to the project site: Torrey Pines Care Center/ Major Medical

Meeting Notes:

- In addition to the modification of Rezoning (Z-0018-97) a Minor Site Development Plan Review application is also required to approve the proposed storage building on site.
- Parking required for the Nursing Home: One space for each six beds, plus one space for each employee on the largest shift, plus three spaces for doctors. The site plan needs to provide a revised parking analysis showing the existing care facility's parking requirement. Include on the site plan parking analysis table in accordance with the Torrey Pines Care Center Development Standards. In the parking analysis include also the provided parking spaces existing on site.
- Exterior components, whether roof or ground mounted, shall be screened on all sides by a screen wall or parapet wall, that shall be aesthetically compatible with the architectural design of the building, and shall not be constructed of lath or chain link fence. The base covering of the exterior walls is to be tile over thinset.
- ~~Roofing for the new construction is to be residential style tile. Roofing for the existing building is to be a ballast system and/or to match the existing.~~
- The proposed storage building height is at 16 feet.
- Interior landscape islands shall be provided for all parking lots at the end of each row of parking spaces, either parallel to parking spaces, at a ratio of one landscape island for every six parking spaces. Landscape islands shall have a minimum width of five feet, as measured from the inside of the curbing, and shall have a minimum length equal to the length of the adjacent parking spaces.
- Concrete wheel stops or curbing at least six inches high and six inches wide shall be provided to prevent vehicles overhanging abutting sidewalks, properties or public rights-of-way, to protect landscaped areas and to protect adjacent properties. Such wheel stops or curbing shall be located at least two feet from curbing.
- There are missing trees within the landscape buffer along Torrey Pines Drive and Oakey Boulevard. For the Site Development Plan Review and the Amendment of the Torrey Pines Care Center a landscaping plan shall be designed in conformance with Title 19 landscaping standards.
- Aerial photograph reveals an expansion of the parking lot into the rear of the existing building on the south side of the building. There are no permit or approved Civil Improvement Plan for the parking addition and for the parking at the southwest corner of the property.
- Place and name existing trees at the southwest corner. Add existing shrubs along Torrey Pines.
- Add or call out the chain link fence at the proposed building location.

LETTER OF INTENT:

This is a letter of intent for development on an existing site owned by Torrey Pines Care Center. Torrey Pines Care Center is a nursing home located at 1701 S. Torrey Pines Drive. We are applying for a minor site development plan review. We are proposing to construct a storage building located approximately 51' to the south of Torrey Pines Care Center. The size of the storage building is approximate 592 square feet single storey and 16'-0" high. The exterior finish of the storage building is stucco and will paint to match the main facility. The storage building will be used to support the existing facility. The new storage building will have an office for one supervisor and house assorted parts and equipment. The new building will be used to store room accessories, lights, beds, plumbing and mechanical equipment.

In addition to the new storage building we are providing parking lot planters and new landscaping along Torrey Pines. To the west of the new storage building is an existing parking lot. New landscape planting fingers will be located in the parking area in accordance to title 19 design standards. In addition to the landscape parking area we propose to provide a planting area adjacent to the south end parking area and residential lots. Along Torrey Pines Blvd we will provide new landscape elements. New 24" box trees will be located in accordance to title 19 requirements.
