RE: Selected CLV Planning Commission Agenda Items

16, 17, 18, 19—noting some of the other creative attempts for approval, maybe if they sought approval for the kitchen and laundry first, then for the residential portion?

20—Please, DENY these "nested" business proposals.

21—Please APPROVE.

#23---Please DENY this erratic arrangement.

#26—Please DENY this addition due to the requested waiver distance.

#27—Please DENY this Addition due to the 300 ft. waiver.

#28—Please request a traffic count for Westwood Dr. , the assumption is a disappointment!

#29—Why is the OVAL rather than CIRCLE notification radius used and for only 1000^{ft.} radius?
Why is the "liquor establishment" not included in the written description, though apparent in the radius drawing?
Please, commissioners, describe the Westwood Dr. vacation process.
How many feet of Westwood Dr. are being vacated?
What is the proposed function of the proposed extension North over Westwood Dr. only?

#30—CNP agrees with staff!

#31—We are pleased with the "It's a desert out there." Tree arrangement.

MAY EACH OF YOU ENJOY THIS FAMILY THANKSGIVING SEASON!

RE: Cliff's Edge Pod 115, 116 & 117 – Request for rear setback reduction

To Whom It May Concern:

Greystone Nevada LLC would like to add a new house plan into the existing Arbor Ridge community located within Providence Pod 116. The plan is a 1585 square foot two story home that conforms architecturally to the Providence Design Guidelines. This plan will incorporate an 18 foot front setback to the garage, while the existing approved plans have a front setback of 5 feet to the garage. By adding this plan, the street scene will be enhanced and the amount of on-street parking will be reduced. This will be a great benefit to the entire community.

The typical lot size in Arbor Ridge is 40' wide by 55' deep. The existing plans were designed to conform to modified residential medium setback standards including rear setbacks of 8 feet for 50% of the home and 12' for the remainder. We are requesting to modify the rear setbacks for the remaining home sites in this community (approximately 100 homesites). A site plan has been included which depicts the remaining homesites within the community. The requested setback modification would be consistent with the residential small lot setback standards which include rear setbacks of 3' for 50% and 7' for the remainder. These modified setbacks would only be incorporated when the proposed 1585 plan was constructed.

We are excited to offer a full-depth driveway in the Arbor Ridge community. The Master Developer supports this request, and we are respectfully requesting your approval to reduce the rear setback development standards for the remaining homesites in order to accommodate our proposed plan.

Please do not hesitate to contact me at 702-821-4627 if you have any questions.

A site plan has been included which depicts these homesites within the community. The RSL rear setbacks allow 3 feet for 50% of the rear elevation and 7 feet for the remainder. The requested setback modification would be to allow 3 feet for 75% of the rear elevation and 7 feet for the remainder. These modified setbacks would only be incorporated when the proposed 1585 plan was constructed and will be limited to home sites as depicted on the site plan.

We are excited to offer a full-depth driveway in the Arbor Ridge community. The Master Developer supports this request, and we are respectfully requesting your approval to modify the rear setback development standards for the remaining homesites within the RSL Land Use in order to accommodate our proposed plan.

Please do not hesitate to contact me at 702-821-4627 if you have any questions.

Sincerely,

Steve Jones

RE: Cliff's Edge Pod 115, 116 & 117 – Request for rear setback reduction

To Whom It May Concern:

Greystone Nevada LLC would like to add a new house plan into the existing Arbor Ridge community located within Providence Pod 116. The plan is a 1585 square foot two story home that conforms architecturally to the Providence Design Guidelines. This plan will incorporate an 18 foot front setback to the garage, while the existing approved plans have a front setback of 5 feet to the garage. By adding this plan, the street scene will be enhanced and the amount of on-street parking will be reduced. This will be a great benefit to the entire community.

The typical lot size in Arbor Ridge is 40' wide by 55' deep. The existing plans were designed to conform to modified residential medium setback standards including rear setbacks of 8 feet for 50% of the home and 12' for the remainder. We are requesting to modify the rear setbacks for the remaining home sites in this community (approximately 100 homesites). A site plan has been included which depicts the remaining homesites within the community. The requested setback modification would be consistent with the residential small lot setback standards which include rear setbacks of 3' for 50% and 7' for the remainder. These modified setbacks would only be incorporated when the proposed 1585 plan was constructed.

We are excited to offer a full-depth driveway in the Arbor Ridge community. The Master Developer supports this request, and we are respectfully requesting your approval to reduce the rear setback development standards for the remaining homesites in order to accommodate our proposed plan.

Please do not hesitate to contact me at 702-821-4627 if you have any questions.

Sincerely,

Steve Jones

RE: Providence Master Plan Community
Project Plan: Rear Yard Setback Waiver
POD: 116 – Arbor Ridge
Plan Date: Received September 13, 2010

Dear Steve:

The Providence Design Review Committee (DRC) is in receipt of your request to the reduce the rear yard setback to 3' for 75% for plan 1585 in the Arbor Ridge community

The DRC **approves** your request for the above referenced POD. Approval of this request will not have an adverse impact on the residents of the community. The private open space requirement is still being met be a combination of the side and rear yard. The model will also have an 18' driveway in a community that currently only has 5' driveways.

Unless specifically waived, all elements within Providence must comply with the terms and conditions of the Design Guidelines and other governing documents. The approval granted herein applies only to the specific items as noted above, and does not constitute an approval of every specific element of the submittal, nor does it constitute a waiver of Providence's rights to enforce compliance with the Design Guidelines and other governing documents. Should an element of the submittal not comply with the Design Guidelines or other governing documents, and is not specifically approved, Providence reserves all of its rights with respect to enforcement of the terms and conditions of such documents as to the non-conforming element. All non-conforming elements must be specifically noted and a specific waiver must be submitted with respect thereto.

If you have any questions, please do not hesitate to contact our office.

Sincerely,
Providence Design Review Committee

(c) Indemnification. To the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Covered Person by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of authority conferred on such Covered Person by this Agreement, except that no Covered Person shall be entitled to be indemnified in respect of any loss, damage or claim incurred by such Covered Person by reason of negligence, willful misconduct or fraud with respect to such acts or omissions; provided, however, that any indemnity under this Section 14 shall be provided out of and to the extent of Company assets only, and no Covered Person shall have any personal liability on account thereof.

(d) Expenses. To the fullest extent permitted by applicable law, expenses (including legal fees) incurred by a Covered Person in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of an undertaking by or on behalf of the Covered Person to repay such amount if it shall be determined that the Covered Person is not entitled to be indemnified as authorized in this Section 14.

15. Notice. Any notice or demand required or permitted to be given or made to or upon any party hereto shall be deemed to have been duly given or made for all purposes if (i) in writing and delivered by hand or overnight express courier service against receipt, or (ii) sent by certified or registered mail, postage prepaid, return receipt requested, or (iii) sent by telegram, telecopy or telex, and followed by a copy delivered or sent in the manner provided in clause (i) above, to such party at the address set forth in Schedule 1 hereto, or at such other address as any party hereto may at any time, or from time to time, direct by notice given to the other party in accordance with this Section 15.
