RE: ARC-40050

Dear Applicant:

Your request for a signage review on an existing retail building at 230 South Las Vegas Boulevard (APN 139-34-610-042), C-2 (General Commercial) Zone, Ward 3 (Reese), was considered by the Downtown Design Review Committee (DDRC) on November 9, 2010.

The Downtown Design Review Committee (DDRC) voted to APPROVE your request, subject to the following amended conditions:

1. Conformance to the sign elevations and documentation as submitted and date stamped 11/09/10 referred to as *Design # C101023R6 with the amendment to signs A, C and D as reflected by the drawings to include the tubes of vertical blue neon* in conjunction with this request, except as modified herein.
2. All signage including temporary signage shall be properly permitted.
3. All signage that encroaches into right-of-way will need an approved Encroachment Agreement from the Public Works Department prior to attachment of the sign to the building.
4. All signage permits must have the final building inspection of certification of completion prior to the issuance of any additional sign permits.
5. All City Code requirements and design standards of all City departments must be satisfied.

**** STAFF RECOMMENDATION(S) ****

<i>CASE NUMBER</i>	<i>RECOMMENDATION</i>	<i>REQUIRED FOR APPROVAL</i>
ARC-40050	Staff recommends DENIAL, if approved subject to conditions:	

**** CONDITIONS ****

ARC-40050 CONDITIONS

Planning and Development

1. Conformance to the sign elevations and documentation as submitted and date stamped 10/25/10 in conjunction with this request, except as modified herein.
2. All signage including temporary signage shall be properly permitted.
3. All signage that encroaches into right-of-way will need an approved Encroachment Agreement from the Public Works Department prior to attachment of the sign to the building.
4. All signage permits must have the final building inspection of certification of completion prior to the issuance of any additional sign permits.
5. All City Code requirements and design standards of all City departments must be satisfied.

**** STAFF REPORT ****

PROJECT DESCRIPTION

This is a request for a signage review on a building located at 230 S. Las Vegas Boulevard. The property is within the Las Vegas Boulevard Scenic Byway Overlay District. The applicant is proposing to reface or replace the existing signs with a new branding scheme for Nevada State Bank. The current signage does not reflect the Las Vegas Boulevard Scenic Byway Overlay District standards of 75% neon signage. The sign package consists of six wall mounted signs, one freestanding sign and two incidental signs. There will not be any additional signage added to the site with this proposal.

Staff is recommending denial of this request. The proposed signage does not meet the requirements of the Las Vegas Scenic Byway Overlay District for neon or animation. If this request is denied, the proposed signage will not be permitted and the applicant may present redesigned signs at a future date.

ISSUES

- The proposed reface of the existing freestanding sign does not meet the Las Vegas Boulevard Scenic Byway Overlay District standards of 75% neon or animation.
- The proposed reface for wall signs C & D does not meet the Las Vegas Boulevard Scenic Byway Overlay District standards of 75% neon or animation.
- Wall signs H & G exceed the threshold for incidental signs.
- The overall signage concept does not meet the design intent of the Las Vegas Boulevard Scenic Byway Overlay District, which seeks to preserve the tradition of neon art and encourage signage that will enhance the district as a nationally recognized place.

BACKGROUND INFORMATION

<i>Most Recent Change of Ownership</i>	
01/07/03	A deed was recorded for a change in ownership.

<i>Related Relevant City Actions by P&D, Fire, Bldg., etc</i>	
04/07/04	The City Council adopted R-59-2004 creating the Scenic Byways Corridor Management Plan.
11/28/95	The Board of Zoning Adjustment approved a request for a Variance (V-0163-95) to allow a 60-foot high freestanding sign where a 40-foot sign is permitted at 230 South Las Vegas Boulevard.
11/05/08	The City Council adopted R-62-2008 revising the Scenic Byways Corridor Management Plan.

<i>Related Building Permits/Business Licenses</i>	
09/28/10	A business license (B03-00027) was issued for a Bank. The license is active.
09/23/09	A business license (M18-05102) was issued for a Management or Consulting Service. The license is active.
08/29/00	A building permit (#23909) was issued for exterior wall signs
08/29/00	Building permit (#16176) was issued for exterior wall signs located at 230 South Las Vegas Boulevard.
07/29/10	A building permit (#168756) was issued for two signs located at 230 South Las Vegas Boulevard. The permit was denied by the Planning and Development Department for DDRC review.

<i>Pre-Application Meeting</i>	
09/21/10	A pre-application meeting was held and the submittal requirements of a Downtown Design Review Committee application were discussed.

<i>Field Check</i>	
10/27/10	During a routine site inspection performed by staff, the subject property was noted as a well maintained commercial development.

ANALYSIS

The applicant is proposing to reface or replace the existing signs with a new branding scheme for Nevada State Bank. The sign package consists of six wall mounted signs, one freestanding sign and two incidental signs. There will not be any additional signage added to the site with this proposal.

The existing freestanding sign is exempt from the Title 19.14.020(N) Freestanding Sign Design Standards as long as the vertical support structure is not altered and the changes to the information on the face of the sign does not increase the area of the signage face. The existing sign exceeds the 40' standard for freestanding signs. In 1995 a Variance (V-0163-95) was approved by the Board of Zoning Adjustment to allow a 60-foot high freestanding sign where a 40-foot sign is permitted.

The proposed replacement of the existing freestanding sign is a blue background with white exposed neon channel letters spelling out Nevada State Bank. The logo is accented in white neon to the right of the lettering. The sign is framed with a white neon border. The neon components added together comprises 53% of the total signage area and does not meet the Las Vegas Boulevard Scenic Byway Overlay District standards of 75% neon or animation.

The proposed reface of the existing wall signs C & D has a blue background with white exposed neon channel letters spelling out Nevada State Bank. The logo is accented in white neon to the right of the lettering. The sign is framed with a white neon border. The neon components added together comprise 57% of the total signage area and do not meet the Las Vegas Boulevard Scenic Byway Overlay District standards of 75% neon or animation.

The proposed replacement of wall sign H and the reface of the existing wall sign G has a blue background with white letters spelling out Nevada State Bank. The logo is accented in white to the right of the lettering and the sign is framed in a white border. Signs H & G exceed the maximum four square feet in size or nine square feet for a sign setback 30 feet from right-of-way and therefore cannot be considered as incidental signs. The proposed signs do not have neon or

animation and do not meet the Las Vegas Boulevard Scenic Byway Overlay District standards of 75% neon or animation.

Signs B & I are in compliance with the Las Vegas Boulevard Scenic Byway Overlay District standards. Signs E, F1, and F2 are exempt from the Las Vegas Boulevard Scenic Byway Overlay District standards as they can be considered incidental signs.

The overall signage concept does not meet the design intent of the Las Vegas Boulevard Scenic Byway Overlay District, which seeks to preserve the tradition of neon art and encourage signage that will enhance the district as a nationally recognized place.

FINDINGS

Staff is recommending denial of this request, as the proposed signage does not meet the requirements for neon or animation of the Scenic Byway Overlay District. Of the nine proposed signs only two can meet the standard for the Las Vegas Scenic Byway Overlay District. Two of the nine signs are incidental signs that do not create a significant visual impact on the site to be considered. Of the remaining five, two have no neon or animation. The freestanding sign and two wall signs fall short of the required 75% neon or animation required within the Las Vegas Scenic Byway Overlay District. In addition, the overall concept of neon or animation does not capture the tradition of neon art and encourage signage that will enhance the district as a nationally recognized place.
