Request for an Extension of Time of a previously approved Site Development Plan Review (SDR-8649)

COMMENTS:

We have no comment on the Request for an Extension of Time application of an approved Site Development Plan Review which allowed a proposed mixed-use commercial and residential development located at northeast corner of Main Street and Bonanza Road as long as all previously imposed conditions of approval for SDR-8649 and all other subsequent site-related actions are ultimately complied with.

Dear Planning and Development:

On behalf of AFG Network II LLC, I am requesting an extension to an approved Site Development Plan Review (SDR-8649) that expires in November 2010.

AFG Network II LLC owns the land on the north east corner of Main and Bonanza in the City of Las Vegas. Extensive plans and marketing took place for a mixed use building comprised of residential units and extensive retail. Over \$10 million has been spent on the project. However, the economic downturn and a tremendous reduction in financing opportunities has negatively affected progress and time schedule.

As a result, we are undertaking considerable renewed efforts and monies to maintain the value of this property and to be a benefit to City of Las Vegas. We have retained the services of Jeremy Green at CBRE. Mr. Green has a tremendous amount of expertise in this type of property and his leadership is a great asset to AFG Network II LLC.

With the extension, we firmly believe that we can preserve the value of this property and continue to increase the tax revenue associated therewith. Thank you and we appreciate your consideration for this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher T. Gharrity", is written over a circular stamp or seal.
