Request for an Extension of Time of a previously approved Variance (VAR-29430)

COMMENTS:

We have no comment on the Request for an Extension of Time application of an approved Variance which allowed seven parking spaces where 11 are required for property located at 1148 South Maryland Parkway as long as all previously imposed conditions of approval for VAR-29430 and all other subsequent site-related actions are ultimately complied with.

To Whom it May Concern:

We respectfully submit this request for an Extension of Time on behalf of our client, Robert Lawson, for the property located at 1148 Maryland Parkway. The intended use for the property is "Professional Office," and the current General Plan designation for this parcel is "Professional Offices and Parking (P-R)".

The applications for which we are requesting extensions are as follows:
SDR-29426
VAR-29428
VAR-29430

We are requesting an extension of time for one year. This project has been submitted to the city of Las Vegas for building permits, however in light of the economic situation the owner has had difficulty obtaining financing. Mr. Lawson continues to work hard at obtaining financing as he would truly like to build this project not only for himself but also for the community.

We respectfully request the above extensions of time to give Mr. Lawson more time to make this project a reality. Should you require any further information, please do not hesitate to contact me.

Respectfully Submitted, c
