Steve,

The applicant for SDR-40555 (Minor Site Development Plan Review) for the conversion of an existing Off-Premise Sign (billboard) to a digital display unit (LED) has requested that the application be cancelled and a refund issued. They submitted the application on 12/23/10 and our closing, so no real work besides the project description being entered into Hansen was completed. Please let me know if you have any questions.

Thanks,

Deb,
Thank you for speaking with me today. I understand that the Reagan request for a Permit involving LED at Sahara 100 ft. W/O Maryland Parkway has been submitted and is already in the system.
I am asking that you cancel this request and issue a refund for the check submitted.

I also understand that at 3:30 today you are meeting to discuss Title 19 and the "Gray Area" of LED Sign on roads other than Freeways. Will you let me know the outcome of this meeting and any amendments made to Title 19.

Thank you for all you help. Take care, Megan from Reagan National Las Vegas 702-326-8682
