RE: Justification Letter
Car Wash addition to existing Convenience Store
Located at 1801 W. Charleston Blvd.
Las Vegas, Nevada 89117

Please accept this application for the referenced project. The original approved application number is Z-102-86(4).

We feel that this area is underserved with respect to a service of this type. The project is master planned with major retail and shopping centers fronting Charleston Blvd. The existing service building is located on an accessible corner. The Automatic Car Wash will be located on the south side of the C-Store where accessibility and stacking exist. With water usage becoming an increased concern, services such as this offer an opportunity to recycle and save a valuable resource.

The project includes 3,000 sf of building on 162,049sf of total land development. The building uses have not changed with respect to the original submittal.

Please accept this amendment to the original submittal. We are happy to answer any questions you have.

Respectfully,

A large, stylized handwritten signature in black ink, appearing to read "Jeffrey J. Smith".
