PRE-APPLICATION CONFERENCE NOTES

CITY OF LAS VEGAS

Is this project intended to promote Sustainability (i.e. use "Green Building" technology)? ☐ YES ☒ NO
If yes, Please detail how in your justification letter. Please refer to <http://www.lasvegasnevada.gov/sustaininglasvegas> for more information on rebates and incentives offered through the City of Las Vegas.

Meeting Notes:

1. The requested location of 8751 West Charleston Boulevard does not meet the Special Use Permit minimum requirements as it is within 400 feet of parcels zoned for residential use (zero feet distance separation- parcel to parcel); is within 1,000 feet of three (3) other massage establishments/facilities (8689 West Charleston, 8850 West Charleston, and 8950 West Charleston) with the closest approximately 60 feet to the east of the subject site; therefore, a waiver for these requirements will be required.
2. Please place on your application the suite number that your proposed business is to be located.
3. Your justification letter states that the location currently operates a 2,000 square-foot salon/hair/skin/nails/ massage (ancillary), yet 'Exhibit A-1 (Site Plan)' shows 7,925 square feet highlighted. When you submit your plans, please ensure the correct square footage for the proposed massage establishment is annotated on the plans.
4. A parking analysis will be required to determine if the location has sufficient parking. The following information may assist you in completing this task.
 - If the total square footage of all commercial businesses located on the parcel equals or exceeds 25,000 square feet, then the location is deemed a shopping center and parking is based on a ratio of 1/250 square feet of gross floor area.
 - If the total square footage of all commercial businesses on the parcel is less than 25,000 square feet, then the parking is determined based on the individual use/s.
 - Massage Establishment: two spaces for each massage room, massage table, or massage chair with a minimum of six spaces
 - Restaurant with Service Bar or Supper Club: one space per 50 square feet of public seating and waiting area, including outdoor areas for seating, plus one space for each 200 square feet of the total remaining gross floor area, with a minimum of 10 spaces required
 - General Personal Services: Beauty/Barber shop- two spaces for each chair and three spaces for each beautician station; Tanning Salon- two spaces per tanning bed; Nail Salon- two spaces per chair/station; other uses: one space for each 250 square feet of gross floor area
 - General Retail (3500 square feet or more): if less than 25,000 square feet- one space per 175 square feet of gross floor area. If more than 25,000 square feet, one space per 250 square feet of gross floor area.
 - General Retail (less than 3500 square feet): one space per 175 square feet of floor area
 - Office: one space for each 300 square feet of gross floor area

Note: the above listings of uses for the subject site may not be all inclusive; therefore, additional research may be required.

Meeting Notes:

1. The requested location of 8751 West Charleston Boulevard does not meet the Special Use Permit minimum requirements as it is within 400 feet of parcels zoned for residential use (zero feet distance separation- parcel to parcel); is within 1,000 feet of three (3) other massage establishments/facilities (8689 West Charleston, 8850 West Charleston, and 8950 West Charleston) with the closest approximately 60 feet to the east of the subject site; therefore, a waiver for these requirements will be required.
2. Please place on your application the suite number that your proposed business is to be located.
3. Your justification letter states that the location currently operates a 2,000 square-foot salon/hair/skin/nails/ massage (ancillary), yet 'Exhibit A-1 (Site Plan)' shows 7,925 square feet highlighted. When you submit your plans, please ensure the correct square footage for the proposed massage establishment is annotated on the plans.
4. A parking analysis will be required to determine if the location has sufficient parking. The following information may assist you in completing this task.
 - If the total square footage of all commercial businesses located on the parcel equals or exceeds 25,000 square feet, then the location is deemed a shopping center and parking is based on a ratio of 1/250 square feet of gross floor area.
 - If the total square footage of all commercial businesses on the parcel is less than 25,000 square feet, then the parking is determined based on the individual use/s.
 - o Massage Establishment: two spaces for each massage room, massage table, or massage chair with a minimum of six spaces
 - o Restaurant with Service Bar or Supper Club: one space per 50 square feet of public seating and waiting area, including outdoor areas for seating, plus one space for each 200 square feet of the total remaining gross floor area, with a minimum of 10 spaces required
 - o General Personal Services: Beauty/Barber shop- two spaces for each chair and three spaces for each beautician station; Tanning Salon- two spaces per tanning bed; Nail Salon- two spaces per chair/station; other uses: one space for each 250 square feet of gross floor area
 - o General Retail (3500 square feet or more): if less than 25,000 square feet- one space per 175 square feet of gross floor area. If more than 25,000 square feet, one space per 250 square feet of gross floor area.
 - o General Retail (less than 3500 square feet): one space per 175 square feet of floor area
 - o Office: one space for each 300 square feet of gross floor area

Note: the above listings of uses for the subject site may not be all inclusive; therefore, additional research may be required.

Please return copy of this form with the original Pre-Application Submission Packet.
Complete Submission Packet MUST be received by Planning Staff no later than 2:00 PM on the following date: FEB 07 2011

Attn: John Grider

Planning Department

To whom it may concern:

Per your request I am formally requesting 5 additional massage rooms at my beauty salon facility located at 8751 West Charleston Ave Suite 150, and 160. We are not asking for a special use permit for suite 190. The additional 4 rooms requested square footage per each room is 130 sq ft., and one room at 141 sq ft.

As we have the largest spa/salon on the west coast located here in Summerlin I am very confident that this new addition to our facility will help increase our revenues as well as the cities tax revenue from our increased new business with the additional massage rooms requested. We noticed a significant increase in our business when we added massage to our 6,000, and 7,000 sq foot spa/salon's located in Henderson (which we obtained a FULL massage establishment licence). As such we are very bullish on the prospects of the same great outcome for our Summerlin facility.

Respectfully,

Debbie Ritchey
